PUBLIC COMMENT

An opportunity for the public to address the Committee on agenda items for which public hearings have not been held will be provided during the General Public Comment/Multiple Agenda Item comment period. During this comment period, the Committee will also provide an opportunity for general public comment on public interest items. For telephonic/videoconference meetings, after the General Public Comment/Multiple Agenda Item Comment period is called, the Committee will allow three (3) minutes for members of the public to indicate they wish to offer general public comment and/or to comment on one or more specific agenda items. Members of the public who wish to speak on items shall be allowed to speak for up to one (1) minute per item, up to a total of three (3) minutes per meeting. The Committee has determined that it is reasonable to close public comment after anyone who indicates they wish to comment during this three (3) minute window is allowed their allotted time, or after a cumulative total of twenty (20) minutes of public comment have passed, whichever comes first. The Committee shall not discuss or take action relative to any general public comment.
