REGARDING:

PROPOSITION HHH

FY 2020-2021 PROJECT EXPENDITURE PLAN REPORT

SUMMARY

The Los Angeles Housing and Community Investment Department (HCIDLA) recommends 35 projects from the Proposition HHH Permanent Supportive Housing Loan Program (HHH Program) and the Proposition HHH Housing Innovation Challenge Program to be included in the Fiscal Year (FY) 2020-2021 Project Expenditure Plan (PEP). The 35 projects have an HHH loan commitment of \$90,394,646 (Attachment B) and request a funding amount of \$38,549,880 in FY 2020-2021 (Attachment A4).

HCIDLA recommends a total funding in the amount of \$125,172,612 to be issued within Fiscal Year (FY) 2020-2021. This amount is comprised of four categories of projects, described in detail later in this report:

- 1. PEP FY 2020-2021 HHH Program Funding Recommendation
- 2. PEP FY 2020-2021 Proposition HHH Housing Innovation Challenge Program Funding Recommendation
- 3. PEP FY 2018-2019 Amendment
- 4. PEP FY 2019-2020 Funding Recommendation

RECOMMENDATIONS

I. The General Manager of HCIDLA respectfully requests that the Proposition HHH Citizens Oversight Committee (COC) recommend to the Proposition HHH Administrative Oversight Committee (AOC), for further consideration by the City Council and the Mayor, to address the following actions:

- A. APPROVE funding in the amount of \$125,172,612 for Proposition HHH Permanent Supportive Housing Projects (Attachment A1);
- B. APPROVE the FY 2018-2019 PEP to be amended to include a \$960,000 increase in funding to the Depot at Hyde Park project (Attachment C);
- C. APPROVE the FY 2018-2019 PEP be amended to include a \$540,000 increase in funding to the PATH Villas Hollywood project (Attachment C);
- D. APPROVE funding in the amount of \$84,277,734 for the PEP FY 2019-2020;
- E. APPROVE the Project Expenditure Plan FY 2020-2021 with a final funding allocation not to exceed \$179,033,312 for eligible costs (Attachment B);
- F. AUTHORIZE HCIDLA's General Manager, or designee, to negotiate and execute loan documents, covenant/regulatory agreements, and any other documents necessary to implement the Project Expenditure Plan Fiscal Year 2020-2021 (Attachment B) with each of the borrowers on projects selected for funding, subject to the approval of the City Attorney as to form;
- G. AUTHORIZE the disbursement of HHH funds to take place after the sponsor obtains enforceable commitments for all proposed funding, including, but not limited to, the full amount of funding and/or tax credits proposed; and
- H. AUTHORIZE HCIDLA to amend Project Expenditure Plans, subject to the CAO and Bond Counsel review, with projects that are ready to execute a loan agreement and have a HHH Letter of Commitment previously approved by the HHH COC, HHH AOC, City Council and Mayor.

BACKGROUND

To date, there are currently 112 projects in the HHH pipeline, 60 of which have been funded in three previous PEPs. HCIDLA proposed a funding authorization for Cadence Apartments through a separate action.

Presently, HCIDLA recommends total funding in the amount of \$125,172,612 to be issued within FY 2020-2021. This amount is comprised of the four categories of projects described below.

1. PEP FY 2020-2021 - HHH Program Funding Recommendation

The HHH loan need for 13 projects from the HHH Program, to be included in the FY 2020-2021 PEP, constitutes \$38,549,880 of the total recommended amount (see Table 1 and Attachment A4). Although it is included in the 13 projects listed for the FY 2020-2021 PEP, HCIDLA proposed the funding recommendation for Cadence Apartments (formerly known as 11408 S. Central) through a previously routed action, to allow the project to meet its targeted construction loan closing date.

2. PEP FY 2020-2021 - Proposition HHH Housing Innovation Challenge Program Funding Recommendation

In addition to the 112 projects in the HHH pipeline, there are six development team awardees of the Proposition HHH Housing Innovation Challenge. These six development teams have proposed approximately 22 projects representing 999 total units and 977 supportive housing units. Consequently, HCIDLA also recommends 22 projects from the Proposition HHH Housing Innovation Challenge Program to be included in the FY 2020-2021 PEP. The 22 projects do not require funding to be issued within FY 2020-2021 (see Table 1 and Attachment A4). In the event any projects in the Mayor's Innovative Housing Challenge need funding, these can be exchanged with projects that are delayed in their need for HHH funds.

The combined 35 proposed projects (13 from the HHH Program and 22 from the Proposition HHH Housing Innovation Challenge Program) were approved under the HHH Program pool of projects that met threshold requirements in the FY 2018-2019 Call for Projects Rounds 2 and 3.

3. PEP FY 2018-2019 – Amendment

HCIDLA recommends that the issuance for the FY 2018-2019 PEP be amended to include \$1,500,000 in additional funds (Table 1 and Attachment A2), including an additional \$960,000 for Depot at Hyde Park and an additional \$540,000 for PATH Villas Hollywood. The second Prop HHH issuance of \$276,235,694 in FY 2018-2019 included \$7,200,000 for Depot at Hyde Park and \$11,780,000 for PATH Villas Hollywood, two projects under the HHH Program (C.F. No. 17-0090-S6). It is recommended that Depot at Hyde Park receive an additional \$960,000, increasing its total HHH loan amount to \$8,160,000 and that PATH Villas Hollywood receive an additional \$540,000, increasing its total HHH loan amount to \$12,320,000 (Attachment A2).

4. PEP FY 2019-2020 – Funding Recommendation

HCIDLA also recommends funding in the amount of \$85,122,732 to be issued for PEP FY 2019-2020 (Attachment A3).

To summarize the above, HCIDLA recommends 13 projects from the HHH Program, including Cadence, which has already received a funding authorization; and 22 Proposition HHH Housing Innovation Challenge Program projects for the current PEP – a total of 35 projects.

HCIDLA recommends funding in the amount of \$125,172,612 to be issued, which includes the current PEP and 22 projects from previous PEPs. Of this total, HCIDLA recommends funding in the amount of \$38,549,880 to be issued for the 35 proposed FY 2020-2021 projects. HCIDLA recommends the balance of the funding to be issued for previously approved PEPs in the amount of \$85,727,734. Of this amount, \$1,500,000 is for FY 2018-2019, and \$85,122,732for PEP FY 2019-2020. See Table 1, below.

HCIDLA recognizes that a portion of the recommended HHH Program and Proposition HHH Housing Innovation Challenge Program projects may not commence within FY 2020-2021. This is due to many factors, including the constraints of HCIDLA's staff capacity, the competitive nature of the California Debt Limit Allocation Committee (CDLAC) and the California Tax Credit Allocation Committee (TCAC), and the potential delays in other financing or entitlements. HCIDLA also recognizes that there are projects that are not identified in previously approved PEPs or the current recommended PEP, that may need to be amended, or added to a PEP to replace any projects that experience the aforementioned constraints.

Recycled Income

In 2020, HCIDLA expects the first income from the accrued construction interest to be repaid at permanent loan conversion on HHH loans. It is HCIDLA's intention to recycle the proceeds from construction interest repayment, plus any other income that may eventually be derived from HHH loans (e.g. loan repayments) to support an ongoing supportive housing loan program. The proceeds will be used to fund a housing loan program consistent with Proposition HHH. It is estimated that, over a 10-year period, with over 100 HHH deals, approximately \$10,000,000 to \$20,000,000 will be received, for an average of \$1,000,000 to \$2,000,000 per year as more projects complete construction. Projecting proceeds after 10 years will be more difficult to predict, but some projects will be able to provide residual receipt loan payments to HCIDLA and these proceeds would be put back into the program, as well. HCIDLA will evaluate projected proceeds annually.

STAFF REPORT As of: March 20, 2020

11010 Santa Monica Boulevard Los Angeles, CA 90025

> New Construction Council District 5

PROJECT DESCRIPTION

11010 Santa Monica Boulevard (the Project) will be a new construction development that will provide 50 affordable studio apartments for seniors and senior veterans, and 1 two-bedroom manager's unit. The Project was proposed in response to a Request for Proposals (RFP) issued by HCIDLA, seeking proposals for supportive housing on a City-owned parking lot. The RFP sought proposals for developments featuring high-quality design that could be produced more inexpensively and more quickly than the typical supportive housing development in the City of Los Angeles. The proposed development will employ modular, prefabricated units.

As proposed, the Project will feature a community room (available to residents and others in the community), gym, reading room, outdoor patio, and roof deck along with resident services offices. The proposal includes plans to replace all 24 existing public parking spaces, however, the level of replacement parking required has not yet been determined. The proposal received scored very well for its elegant design and its incorporation of the Department of City Planning's three pillars of good design: pedestrian orientation, 360° design, and climate adaptive design.

Located near the West Los Angeles Veterans Affairs Medical Center, the Project's location is ideal for seniors and senior veterans requiring affordable housing. Also nearby, are several community services and amenities, including the West Los Angeles Regional Branch Library.

PROJECT FINANCE SUMMARY

The RFP submission proposes using HHH, 4% tax credits, tax exempt bonds, and a permanent loan to finance the development of this project. The proposal pro forma does not project a financing gap, and includes funding for all 24 replacement parking spaces.

BORROWER AND PROPOSED OWNERSHIP STRUCTURE

The intended ownership structure will be a to-be-formed limited partnership consisting of a developer to be selected by City Council simultaneous to this funding commitment.

Staff Report: 11010 Santa Monica Blvd.
