Subject: **State Homeless Emergency Aid Program (HEAP) – Second Quarterly Expenditure Report (April 1 - June 30, 2019) and Funding Recommendations**

SUMMARY

This is the second quarterly expenditure report on the City's \$85,013,607 State of California Homeless Emergency Aid Program (HEAP) grant award (April 1 - June 30, 2019). The grant has strict commitment and expenditure deadlines: 50 percent of funds must be obligated by January 1, 2020; and 100 percent must be expended by June 30, 2021. This report provides the status of HEAP commitments and expenditures through June 30, 2019. It also provides recommendations to: effectuate a Council motion relative to HEAP funding for Skid Row (C.F. 19-0647); reprogram funding previously approved for Venice Community Housing Corporation; and identify services and contingency funding for three A Bridge Home facilities.

DISCUSSION

Status of HEAP Expenditures

As of June 30, 2019, a total of \$12,298,248.07, or 14%, of the City's HEAP allocation had been expended. Table 1 summarizes these expenditures by Activity Category and Attachment 1 provides additional detail.

Status of HEAP Commitments

HEAP funds in the amount of \$73,135,485, or 86%, have been committed, and \$11,878,121.35 remains uncommitted. Table 1 summarizes this information by Activity Category and Attachment 1 provides additional detail.

Table 1. Status of HEAP Commitments and Expenditures

Activity Category	Amount	Total Funds Committed	Uncommitted Funds Remaining	Expended
1 Capital and Operating Support – A Bridge Home ¹	\$51,079,797.65	\$51,079,797.00	\$0.00	\$11,748,471.60
2 Capital and Operating Support – Skid Row	\$20,000,000.00	\$8,323,124.00	\$11,676,876.00	\$101,489.09

4 Youth Set-Aside	\$4,250,680.35	\$4,049,435.00	\$201,245.35	\$0.00
5 Administrative Costs	\$1,684,804.00	\$1,684,804.00	\$0.00	\$121,205.88
Total	\$85,013,607.00	\$73,135,485.00	\$11,878,121.35	\$12,298,248.07

¹ The difference in Activity Category 1 – Capital and Operating Support – A Bridge Home between the Amount and the Total Funds Committed is due to \$0.65 that remains in the A Bridge Home Reserve and is recommended for programming later in this report.

Additional Proposed HEAP Commitments – Skid Row

Motion (Huizar – Harris-Dawson; C.F. 19-0647) was introduced on June 14, 2019, instructing the City Administrative Officer to submit a request to the Homeless Strategy Committee to commit \$2,757,081 from Activity Category 2 – Capital and Operating Support – Skid Row (HEAP Category 2). These funds are proposed for the following: (1) capital costs to expand emergency housing for families at the Salvation Army Zahn Center located in Downtown LA (\$1,600,000); (2) move-in expenses for 150 people from Skid Row and the adjacent A Bridge Home locations (\$150,000); (3) shower and bathroom access with attendants at LA Mission 24 hours per day, 7 days per week (\$700,000); and (4) extend attendant hours at the Pit Stop location outside of Gladys Park to 24 hours per day, 7 days per week (\$307,081). This report provides recommendations to allocate funds from HEAP Category 2 as described in the Motion.

Reprogramming

In January 2019, the Mayor and Council approved funding from Activity Category 4 – Youth Set-Aside (HEAP Category 4) in the amount of \$325,000 as a down payment for Venice Community Housing (VCHC) to purchase property currently being leased for the Roots to Grow program. Since HEAP funds were approved, the owner has elected not to sell the property and VCHC will continue to lease the site for this program. This Office recommends reprogramming these funds from HEAP Category 4 to Activity Category 1 – Capital and Operating Support – A Bridge Home (HEAP Category 1) in order to fund services at new A Bridge Home sites as described below.

A minimum of five (5) percent of HEAP funds, or \$4,250,680.35, must be spent on services for youth experiencing or at risk of homelessness. After reprogramming the above \$325,000 to support services at A Bridge Home sites, the remaining youth commitments in HEAP Categories 1 and 4 will amount to \$4,424,435, which exceeds the set-aside requirement, as detailed below in Table 2.

Table 2. HEAP Youth Commitments

Activity Category	Commitment	Description	Council District	Total HEAP Commitment
1	Capital and Operating Support – A Bridge Home	Aviva Family and Children's Services Female Transition Aged Youth (TAY) Bridge Housing Beds	4	\$700,000

A Bridge Home Funding Need

Services Funding for Sites in Council District 15

Capital funding to construct two A Bridge Home facilities located at 515 N. Beacon St. and 828 Eubank Ave. in Council District (CD) 15 was approved by the Mayor and City Council in July 2019 (C.F. 18-0651-S3 and 18-0651-S2). As stated in the First Quarterly Expenditure Report, the initial 600 beds in the service funding commitment from Los Angeles County Measure H have been identified. The CD15 A Bridge Home sites, therefore, require service funding at a rate of \$60/bed/night from other sources (C.F. 18-0628). The total cost to fund services at these sites through June 30, 2021 is \$6,384,000 (see Table 3 below).

Table 3. Service Funding Need for CD15 A Bridge Home Sites

Site	Beds	Estimated Start Date	Bed Rate	Funding Needed through June 30, 2021
515 N. Beacon St.	100	12/15/2019	\$60/night	\$3,378,000
828 Eubank Ave.	100	02/15/2020	\$60/night	\$3,006,000
Total	200			\$6,384,000

Subject to approval of the reprogramming recommendation above, this Office recommends allocating funds from HEAP Category 1 (\$325,000.65), the Additional Homeless Services line item within the General City Purposes Fund (FY 2019-20; \$4,994,268.35), and the Homeless Services Program line item within the Unappropriated Balance (FY 2018-19; \$1,064,731) to fund services through June 30, 2021 at these two sites.

Contingency and Project Management Funding in Council District 10

On March 22, 2019, the Mayor and Council approved capital funding in the amount of \$7,097,779 for two A Bridge Home Sites in CD 10 located at 1819 S. Western Ave. and 625 La Fayette Pl. (C.F. 18-0392). LSA Capital was identified through a Request for Qualifications and Proposals to construct these sites through a contract with the Department of Public Works, Bureau of Engineering (BOE). BOE reports that, in order to implement this project, additional funding in the amount of \$913,477 is needed for a contingency fund and project management staff costs at BOE and the Department of Public Works, Bureau of Contract Administration. This Office recommends allocating these funds from the Additional Homeless Services line item within the General City Purposes Fund (FY 2019-20) and that BOE be instructed to report quarterly contingency and project management expenses to this Office for reimbursement through the Construction Projects Report (CPR).

HEAP Commitments and General Fund Balances if Report Recommendations are Approved

If the recommendations in this report are approved, a total of \$75,892,566.65, or 89% of the HEAP allocation will be committed. In addition, the HEAP reserve balance for A Bridge Home will be fully expended, and the uncommitted and unreserved funds balance will decrease to \$9,121,040.35. Table 4 below summarizes this information.

Table 4. Status of HEAP Commitments and Expenditures if Report Recommendations are Approved

Activity Category		Amount	Total Funds Committed	Uncommitted Funds Remaining	Expended
1	Capital and Operating Support – A Bridge Home	\$51,404,797.65	\$51,404,797.65	\$0.00	\$11,748,471.60
2	Capital and Operating Support – Skid Row	\$20,000,000.00	\$11,080,205.00	\$8,919,795.00	\$101,489.09
3	Capital, Operating, Services - Citywide	\$7,998,325.00	\$7,998,325.00	\$0.00	\$327,081.50

Total		\$85,013,607.00	\$75,892,566.65	\$9,121,040.35	\$12,298,248.07

Upon approval of the recommendations in this report, the balances in the FY 2018-19 and FY 2019-20 and General Fund allocations for homeless services will be as follows:

- Remaining Balance of the Unappropriated Balance, Homeless Services Program (FY 2018-19): \$0; and
- Remaining Balance of the General City Purposes – Additional Homeless Services Fund (FY 2019-20) - \$3,092,254.65.

FISCAL IMPACT

Sufficient funding is available within the Homeless Emergency Aid Program, the Additional Homeless Services line item within the General City Purposes Fund (FY 2019-20) , and the Homeless Services Program line item within the Unappropriated Balance (FY 2018-19) to support the recommendations in this report. There is no additional impact to the General Fund.

MOTION HOMELESSNESS AND POVERT

There is a homelessness crisis in the City of Los Angeles. According to the 2019 Point-in-time Homeless Count, there are approximately 36,300 homeless individuals in the City of Los Angeles. In 2018, there were 2,145 unsheltered individuals experiencing homelessness in Skid Row. To address this need, the City of Los Angeles has received \$85 million in direct allocation from the State of California through the statewide Homeless Emergency Aid Program (HEAP) of which \$20 million is allocated for Skid Row. The City Council adopted an \$85 million proposed budget for funding eligible activities. Consistent with Council action (C.F. 18-0628) any HEAP funding request will be reviewed by the Homeless Strategy Committee and submitted to Council for approval.

Council District 14 has been working closely with the Mayor's Office to outline priorities for the one-time HEAP funding, which reflect the immediate needs in Skid Row while leveraging investments to have impact in focused areas. Among these strategies are the provision of basic health and hygiene facilities, such as bathrooms and showers and drinking water, which have been identified by service providers and community members as being high priority.

To address the needs in Skid Row in the Council District 14, Council should allocate HEAP funds to the activities described below:

- From the \$20 million Capital and Operating Support for Short Term Housing Interventions, Capital for Permanent Housing, and Homeless Services in Skid Row Area of Los Angeles (Category 2) line item, allocate:
 - \$1,600,000 for the Salvation Army to expand emergency housing for families at its Zahn Center located in Downtown LA;
 - \$150,000 for The People Concern, through its Regional Coordination contract with Los Angeles Homeless Services Authority, to provide flexible "move-in" funding to facilitate housing 150 people from Skid Row and from the A Bridge Home locations that serve the areas adjacent to Skid Row at El Puente and 1426 Paloma Street;
 - \$700,000 for two years funding for shower access and a public bathroom at LA Mission that is attended 24 hours and 7 days a week; and
 - \$307,081 to further expand the Pit Stop program so that the Automated Public Toilet outside of Gladys Park can operate 24 hours and 7 days a week.

Sufficient funding is remaining in this category.

I THEREFORE MOVE that the Council instruct the City Administrative Officer (CAO) to submit to the Homeless Strategy Committee (HSC) for review a funding request for approximately \$2.8 million to utilize State Homeless Emergency Aid (HEAP) funds for various programs in the Skid Row Area in Council District 14, as further detailed in the text of this Motion;

I FURTHER MOVE that the Council instruct the CAO to submit HSC's recommendation to Council relative to the use of HEAP funds for the funding requests stated above.
