**SUBJECT:** Homeless Housing, Assistance and Prevention (HHAP) Program Funding Recommendations - A Bridge Home and Hygiene Services

### SUMMARY

On December 13, 2019, the Mayor concurred with the City Council's approval of the City Administrative Officer (CAO) and Chief Legislative Analyst's (CLA) recommendations related to the City's Homeless Housing, Assistance and Prevention (HHAP) Program \$117,562,500 grant application, including: funding categories; the approval process for allocating HHAP funds within these categories; the authority to apply for the grant; funding reservations for A Bridge Home (ABH) sites; support to administer the grant; and the authority to repay Reserve Fund loans used for ABH sites.

Given the Coronavirus (COVID-19) crisis, and the unknown cost of the City's emergency response to address our unsheltered homeless population during this period, this report only includes recommended funding for critical projects and programs. These funding recommendations ensure the completion and operation of A Bridge Home sites, the continuation of hygiene services after June 30, 2020, and the administrative support for these programs. The funding recommendations in this report replace the recommendations related to ABH funding in the first HHAP report, dated November 22, 2019, as more detailed information on final ABH costs have been received since the report was issued. This report commits 49 percent of the HHAP grant. This report also considers the recent Homeless Emergency Aid Program (HEAP) reprogramming and allocations (C.F. 18-0628), which reduce the HHAP funding need for Fiscal Year (FY) 2020-2021 for the ABH and hygiene programs. The CAO and CLA will report back in August 2020 with additional funding allocations.

### RECOMMENDATIONS

That the City Council, subject to the Mayor's approval:

- RESCIND the approved recommendations 1, 8, 9, 11, 12, and 15c in the Homelessness and Poverty Committee Report on the State of California Homeless Housing, Assistance, and Prevention Program (HHAP) Report, dated November 22, 2019, Council File 19-0914, as these recommendations are being replaced by the recommendations in this report;

**BACKGROUND**

The State of California's Homeless Housing, Assistance and Prevention (HHAP) Program, administered by the Business, Consumer Services and Housing Agency (BCSH), will provide the 13 largest cities in the State with \$275,000,000 for immediate assistance to people experiencing homelessness. The State will retain five (5) percent of this amount for administrative costs. The City has received an allocation of \$117,562,500. HHAP is considered a five (5) year grant; 50 percent the grant must be obligated by May 31, 2023; and 100 percent of the funds must be expended by June 30, 2025.

*City's HHAP Application*

The CAO submitted the City's HHAP application for its \$117,562,500 grant on January 31, 2020. The grant award letter was received from the State on March 30, 2020; and the grant agreement on April 16, 2020. The City received its HHAP funds on June 8, 2020.

*Future Funding Recommendations*

As approved in the first HHAP report, funding requests for these grant funds were submitted to the CAO and CLA via Council Motions and departmental requests. We have received over \$162 million in funding requests, including the funds reserved for A Bridge Home sites. We will submit additional funding recommendations based on these Council Motions and departmental requests in August 2020, once the City has a better estimate of the COVID-19 homeless response costs and the state and federal reimbursement resources have been assessed.

**HHAP FUNDING RECOMMENDATIONS**

Capital Funding for ABH—Funding Category 1

A total of \$10,613,912 is recommended for construction costs for the following ABH sites:

Table 1

	ABH Site	CD	Population Served	Capital
1	7700 Van Nuys Blvd.	2	Individuals	\$7,064,270
2	100 Sunset Ave.	11	Individuals	\$549,479
3	Veterans Affairs West LA Campus	11	Individuals	\$3,000,163

The Van Nuys site is currently under construction and is expected to be completed by July 2020. The Sunset and Veterans Affairs sites are currently in operation. These funding recommendations represent the gap needed to cover the total construction costs and to close-out both projects.

Repayment of Reserve Fund Loans – Funding Category 1, 3, and 6

This report recommends a repayment of \$20,292,392 to the Reserve Fund for previously approved ABH sites (C.F. 19-1307, 19-0126, 19-0563, 19-1570 and 19-0877) in Table 2 below; \$19,314,008 from Category 1, \$766,401 from Category 3, and \$211,983 from Category 6. A previous allocation of HEAP (C.F. 18-0628) funds reduced the repayment amount from Category

1 by \$904,011.15, from the original \$20,218,019. These loans were approved to avoid construction and/or operating delays pending the receipt of the HHAP funds. All of these sites, other than Lodi Pl., which is currently in operation, are in construction and are expected to begin operations in June and July 2020.

Table 2

	ABH Site	CD	Population Served	Capital (Category 1)	Operating (Categories 3 and 6)
1	7700 Van Nuys Blvd.	2	Individuals	\$1,661,000	
2	3428 Riverside Dr.	4	Individuals	\$7,096,255	
3	14333 Aetna St.	6	Individuals	\$6,228,300	
4	310 N Main St. (Civic Center)	14	Individuals	\$5,232,464	
5	1214 Lodi Pl.	13	Women		\$766,401
6	1214 Lodi Pl.	13	Youth		\$211,983

Reappropriation of Reserve Fund Loan Balance - Category 1

A total of \$3,260,806.86, which represents the unexpended balance of the Reserve Fund loans above, is being reappropriated for the Van Nuys, Riverside, Aetna and Civic Center sites' remaining capital needs. Of this amount, \$1,011,550.12 is for Bureau of Engineering salaries associated with the construction of these sites as outlined in recommendations 3 and 12. These unexpended funds will not revert to the Reserve Fund, but rather to the HHAP Special Fund Grant Fund, No. 62Y.

Repayment of General City Purposes Loans – Funding Category 1 and 3

This report recommends the repayment of \$1,037,645 in General City Purposes (GCP) loans (C.F. 19-1029, 19-1352, 19-1350). Although the funds in the GCP were designated for Homeless Services, the CAO overcommitted these funds by \$1,117,644.56. The contingency fund balance from two ABH sites in Council District 10, reduces this over commitment by \$80,000. We recommend that \$165,424 from Category 1 – A Bridge Home Capital, and \$872,221 from Category 3 - Prevention, Shelter Diversion to Permanent Housing and Bridge Housing Operations, be allocated for this repayment.

Table 3

	ABH Site	CD	Population Served	Capital (Category 1)	Operating (Category 3)
1	13160 Raymer St.	2	Individuals	\$245,424*	
2	4601 S Figueroa St.	9	Families		\$305,556
3	1479 La Cienega Blvd.	5	Families		\$566,665

\*reduced by \$80,000 in contingency savings

Operating Funding for ABH – Funding Category 3

Unfortunately, the City has been unable to secure additional operating funding for ABH beds for individuals from the County of Los Angeles. As such, this report recommends \$11,635,297 for operating costs for a 12-month period, July 1, 2020 – June 30, 2021, for the ABH sites in Table 4 below. A HEAP reprogramming action (C.F. 18-0628) reduced this amount by \$103,541 from the original \$11,738,838. The operating costs include all client services (case management), meals, security, maintenance and utilities for these sites, a total of 754 beds.

Table 4

	ABH Site	CD	Population Served	Beds	Operating Funds
1	7700 Van Nuys Blvd.	2	Individuals	100	\$2,531,030
2	3428 Riverside Dr.	4	Individuals	100	\$2,142,300
3	14333 Aetna St.	6	Individuals	70	\$1,379,650
4	13160 Raymer St.	2	Individuals	85	\$1,619,300
5	310 N Main St. (Civic Center)	14	Individuals	99	\$2,388,220
6	828 Eubank Ave.	15	Individuals	100	\$ 318,438
7	515 N. Beacon St.	15	Individuals	100	\$ 153,700
8	Sylmar Armory	7	Women	85	\$1,138,500
9	1819 S. Western Ave.	10	Families	15	\$ 67,700

The first month of funding as well as the furniture, fixtures and equipment for sites 1 - 5 in Table 4, were included in a reprogramming approved by Mayor and Council (O'Farrell-Martinez, C.F. 20-0586). The Sylmar Armory and 1819 S. Western Ave. proposed allocations were previously funded with HEAP, but reprogrammed in the same Motion to ensure the timely expenditure of the HEAP funds.

The balance for the operating costs for the Eubank and N. Beacon is being covered by HEAP, General City Purposes funds and County Measure H funds for N. Beacon.

Leasing Costs for ABH – Funding Category 3 and 6

For ABH leasing costs, \$4,797,172 is recommended to cover three (3) years or 36 months of costs for four (4) sites. These sites will provide a total of 144 beds, 30 for women, 84 for families, and 30 for youth. The operating costs for these sites are being paid by County of Los Angeles Measure H funds.

- a. \$1,892,725 for the lease on 1214 Lodi Pl. (CD 13) for 36 months. This site is providing 30 beds for women.
- b. \$636,674 for the lease on 1214 Lodi Pl. (CD 13) for 36 months. This site is providing 30 beds for youth.
- c. \$794,444 for 4601 S. Figueroa St. (CD 9) for 36 months. This is a family site with 30 beds.
- d. \$1,473,329 for 1479 La Cienega Blvd. (CD 5) for 36 months. This site is also a family site with 54 beds.

Hygiene Funding Recommendations – Funding Category 2 and 5

The funding recommendations for hygiene services ensures that both the Citywide (\$3,935,029) and Skid Row (\$585,312) Pit Stop Programs, which include 19 bathroom sites and four (4) mobile showers, will continue to provide services in the next FY. A HEAP reprogramming (C.F. 18-0628) of \$460,846 from HEAP Citywide Capital, Operating, and Services category and \$2,143,650 from the HEAP Skid Row category has reduced the HHAP amount needed for both programs, and for the Skid Row Street Sweeping and Sidewalk Litter Abatement Program

(\$390,236). An additional \$572,519 is also recommended to extend the Shower of Hope contract, which provides mobile showers and laundry services in Council District 1.

Administrative Costs – Funding Category 7

This report recommends \$2,242,986 to support the various departments that will implement the funding recommendations in this report. The previous HEAP reprogramming noted above reduced the Board of Public Works’ administrative costs need by \$158,126.26 in FY 2020-2021. Table 5 below outlines the proposed allocations.

Table 5

Department	Positions	Recommended Funding	Time Frame	Purpose
Bureau of Engineering	1 Civil Engineer; 1 Civil Engineer Associate III, 1 Senior MA I	\$347,161	Six months—July 1, 2020-December 31, 2020	Complete ABH sites
Board of Public Works	1 Senior MA I 1 MA	\$279,464	12 months – July 1, 2020 – June 30, 2021	Administration of the Citywide and Skid Row Pit Stop Programs and the Skid Row Litter Abatement Program.
City Attorney	1 Deputy City Attorney III	\$148,076	Six months—July 1, 2020-December 31, 2020	Complete leases for ABH sites
General Services	1 Senior Real Estate Officer	\$136,769	Six months—July 1, 2020-December 31, 2020	Negotiations of ABH site leases
Mayor’s Office of Citywide Homeless Initiatives	1 Director of Interim Housing Strategies 1 Senior Project Manager for A Bridge Home 1 Senior Operations Manager for the UHRC	\$1,254,678	24 months – January 1, 2021 – December 31, 2022	Administer Citywide homeless initiatives, programs and projects
City Administrative Officer	N/A	\$76,838	Six months—July 1, 2020-December 31, 2020	Complete real estate evaluation and rehabilitation services for pending ABH sites.

The funding for the CAO’s Administrative Analyst position (a Management Assistant has been hired in lieu of an Administrative Analyst) and allocation was approved in the first HHAP report. This report requests the transfer of funds for the current year’s salary and for FY 2020-2021, a total of \$176,122. The position is be responsible for HHAP grant administration, including quarterly reporting to the Homeless Strategy Committee, Mayor and Council, annual reporting to the State of California, ongoing expenditure tracking, facilitating required financial transactions, and ensuring compliance with State HHAP Program regulations and guidelines.

Amendment to City HHAP Funding Categories

The amendments to the City’s HHAP Funding Categories 1 and 3 will clarify one-time costs (construction) and ongoing costs (operations and leasing). This recommendation would also correct Category 6 by adding the leasing costs for 30 youth beds at the 1214 Lodi Pl. site to this category to ensure all funding for Youth programs is tracked within one category. Table 6 below outlines these changes.

**Table 6 Homeless Housing, Assistance and Prevention Recommended Changes to Funding Categories**

HHAP Funding Category	Amount
1 <u>A Bridge Home Capital</u> Capital for ABH constructions costs	\$32,329,111
2 <u>Skid Row</u> Includes: Any HHAP-eligible projects or programs in the Skid Row area of downtown Los Angeles in Council District 14.	\$6,000,000
3 <u>Prevention, Shelter Diversion to Permanent Housing and Bridge Housing Operations</u> Includes: Eviction prevention and legal defense, problem-solving, flexible funding and diversion programs, employment and workforce development, services for survivors of domestic violence or human trafficking, and operating costs for bridge housing facilities.	\$43,240,897
4 <u>Rental Assistance and Rapid Rehousing and Permanent Housing</u> Includes: Rental assistance and rapid rehousing programs, including shared housing models, motel vouchers, housing location and navigation services, housing case management, permanent housing, and shelter and services for survivors of domestic violence or human trafficking.	\$10,358,117
5 <u>Street Strategy, Outreach, Public Health, and Hygiene</u> Includes: Programs to address immediate public health and hygiene needs of unsheltered persons experiencing homelessness, including bathrooms, showers, drinking water, and other outreach.	\$8,000,000
6 <u>Youth Experiencing Homelessness or At Risk of Homelessness (8% Set-Aside Required)</u> Eight (8) percent of HHAP funds must be set aside for youth experiencing or at risk of homelessness. Includes: any HHAP-eligible projects or programs serving youth, including foster youth, transition age youth (TAY), and Lesbian, Gay, Bisexual, Transgender, Transsexual, Queer, Intersex, Asexual (LGBTQIA+) Youth.	\$9,405,000
7 <u>Administrative Costs (Capped at 7%)</u> HHAP guidelines allow grantees to use up to seven (7) percent of funds for administrative costs to support HHAP-funded programs.	\$ 8,229,375
<b>Total</b>	<b>\$ 117,562,500</b>

The City may reprogram funding within the categories above. Administrative costs are capped at seven (7) percent. Any remaining funds from this category will be reprogrammed to other categories.

HHAP Commitments with Approval of Report Recommendations

If the recommendations in this report are approved, a total of \$57,419,915 or 49 percent of the City HHAP allocation will be committed. The funding recommendations are outlined in Attachment 1. The balance of HHAP funds that remain uncommitted is \$60,142,585 or 51 percent. Table 7 below summarizes this information.

**Table 7: Status of HHAP Commitments if Report Recommendations Are Approved**

### FUTURE ABH CAPITAL AND OPERATIONS NEED

As noted on Page 10, this report ensures that all ABH sites in operation and those that are scheduled to open in June and July 2020, have operating funding (case management, meals, security and maintenance and utilities) until June 30, 2021. There are four (4) sites that are pending a final feasibility determination in Council Districts 1, 4, 9, and 14 with an estimated total of 230 beds (Attachment 2). In future HHAP reports, we will have to reprogram among HHAP funding categories to cover additional capital costs if these sites are deemed feasible. The County Measure H is paying for 600 beds for individuals for three (3) years, 30 beds for women, 30 beds for youth and 177 beds for 66 families, a total of \$12.5 million annually. The family beds are not tied to the three (3) year commitment because these beds replace the County's cost for rooms in motels/hotels for families. The County pays \$50/night per bed for individuals and \$60/night per bed for women. The City pays the \$10 per bed/night for 433 of the 600 beds covered by the County to bring the rate for all beds to \$60/night per bed to ensure all needed operations are covered. This 600-bed County commitment does not include the recent City – County agreement on 6,000 new beds.

We estimate that the City's operations costs for FY 2021-2022 will be \$22 million. If the additional four (4) ABH pending sites are operational, this estimate increases to \$26.2 million. If the FY 2020-2021 State of California budget does not include homeless funding for cities, the ABH and hygiene programs could have a General Fund impact of up to \$33 million in FY 2021-2022.

### COVID IMPACT ON BEDS AND ABH OPERATIONS

The semi-private layout of the ABH sites currently in operation allow these sites to continue to operate at full capacity during the COVID-19 Safer at Home order. ABH service providers are following LAHSA's COVID-19 guidance, which is based on County Department of Public Health (DPH) advice. Many sites have identified space to temporarily quarantine a resident if he/she exhibits COVID-19 symptoms. If necessary, the resident is referred to an offsite quarantine or isolation facility operated by the County Department of Health Services (DHS). The Mayor's Office is working with DPH to safely open ABH sites that will be operational in the coming

months. The staffing needs for these sites remain the same, regardless of the number of beds included, therefore, it is not anticipated that the service funding needs will change during this period.

### **FISCAL IMPACT**

There is no impact to the General Fund at this time. The City has received \$117,562,500 from the State of California through the Homeless Housing, Assistance, and Prevention Program to support the recommendations in this report. Approval of these recommendations will also increase the Reserve Fund by \$20,292,392.

### **FINANCIAL POLICIES STATEMENT**

The recommendations in this report comply with the City's Financial Policies.
