ARTICLE 1.0 GENERAL PROVISIONS

ARTICLE 1.1 RECOGNITION

Management hereby recognizes the Engineers and Architects Association (EAA), as the exclusive representative of the employees in the Supervisory Administrative Unit, for which EAA was certified as the majority representative by the Employee Relations Board on July 20, 1990. EAA shall be the exclusive representative of employees in the Supervisory Administrative Unit, subject to the right of each employee to represent him/her self. The term "employee", as used herein, shall refer only to employees in the classifications listed in Appendix A, Salaries, as well as such classes as may be added hereafter to the Unit by the Employee Relations Board.

ARTICLE 1.2 PARTIES TO MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter referred to as "MOU") is entered into on **September 8, 2010**, by the City Administrative Officer, as authorized management representative of the City Council, and the authorized management representatives of any City Departments in which classifications listed in Appendix "A" may be employed (hereinafter referred to as "Management") and authorized representatives of the Engineers and Architects Association (hereinafter referred to as "Association") as the exclusive recognized employee organization for the Supervisory Administrative Unit.

ARTICLE 1.3 IMPLEMENTATION OF MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding constitutes a joint recommendation of Management and the Association. It shall not be binding in whole or in part on the parties listed below unless and until:

- a. The Association has notified the City Administrative Officer in writing that it has approved this Memorandum of Understanding in its entirety, and the City Administrative Officer has notified the Association in writing that the heads of those departments, offices or bureaus represented herein have approved this Memorandum of Understanding in its entirety in the manner required by law; and
- b. The City Council has approved this Memorandum of Understanding in its entirety. Where resolutions, ordinances or amendments to applicable codes are required, this Memorandum of Understanding shall not be binding, in whole or in part, until all such resolutions, ordinances, or amendments become effective.

ARTICLE 1.4 FULL UNDERSTANDING

Management and the Association acknowledge that during the meet and confer process, each had the unlimited right and the opportunity to make demands and proposals on any subject within the scope of representation and that this MOU constitutes the full and entire understanding of the parties regarding all such demands and proposals. The parties mutually understand that any prior or existing understandings or agreements by the parties, whether formal or informal, are hereby superseded or terminated.

The parties mutually agree that this MOU may not be opened at any time during its term for any reason, except by mutual consent of the parties hereto.

It is mutually understood that any changes mutually agreed to shall not be binding upon the parties unless and until they have been implemented in accordance with Article 1.3.

The waiver or breach of any term or condition of this MOU by any party hereto, shall not constitute a precedent in the future enforcement of any of its terms and provisions.

ARTICLE 1.5 TERM

The term of this MOU shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 1.3, Implementation of Memorandum of Understanding, are fully met, but in no event shall said MOU become effective prior to date of adoption by the City Council. This MOU shall expire and otherwise be fully terminated at 11:59 p.m. on June 30, 2011.

ARTICLE 1.6 CALENDAR FOR SUCCESSOR MEMORANDUM OF UNDERSTANDING

In the event the Association or Management desires a successor MOU, said party shall serve upon the other its written proposals no later than during the period of March 1 through March 31, 2011. Meet and confer sessions shall begin no later than thirty (30) calendar days following the receipt of the Association's proposals.

ARTICLE 1.7 OBLIGATION TO SUPPORT

During the period of time the proposed MOU is being considered by the Mayor, City Council, Council Committees, or the Commissions of those departments where the Commission is the Department head, neither the Association nor Management, nor their authorized representatives, will appear before the Mayor, City Council, Council Committees, or said Commissions, nor meet with the members of the City Council or said Commissioners individually to advocate any addition or deletion to the terms and conditions of this MOU. However, this Article shall not preclude the parties from appearing before the Mayor, City Council, Council Committees or said Commissions, nor meeting with individual

members of the City Council or said Commissioners to advocate or urge the adoption of this MOU.

ARTICLE 1.8 SAVINGS CLAUSE

If any term or provision of this MOU is found to be in conflict with any City, State or Federal law, the parties agree to meet promptly, and as often as necessary, to expeditiously renegotiate this term or provision.

All other terms and provisions of this MOU shall remain in full force and effect during the period of such renegotiations and thereafter until their normal expiration date.

The parties understand that many of the employees covered by this MOU may also be covered by the Fair Labor Standards Act of 1938, as amended, 29 U.S.C. Section 210 et seq. (FLSA). To the extent that any provision herein conflicts with the FLSA, employees covered by the FLSA shall receive benefits required there under and any additional benefits set forth herein if compatible with the FLSA.

ARTICLE 1.9 MANAGEMENT RIGHTS

As the responsibility for the management of the City and direction of its work force is vested exclusively in its City officials and department heads whose powers and duties are specified by law, it is mutually understood that except as specifically set forth herein no provisions in this MOU shall be deemed to limit or curtail the City officials and department heads in any way in the exercise of the rights, powers and authority which they had prior to the effective date of this MOU. The Association recognizes that these rights, powers, and authority include but are not limited to, the right to determine the mission of its constituent departments, offices and boards, set standards of services to be offered to the public, exercise control and discretion over the City's organization and operations, take disciplinary action for proper cause, relieve City employees from duty because of lack of work, lack of funds or other legitimate reasons, determine the methods, means and personnel by which the City's operations are to be conducted, take all necessary actions to maintain uninterrupted service to the community and carry out its mission in emergencies; provided, however, that the exercise of these rights does not preclude employees and their representatives from consulting or raising grievances about the practical consequences that decisions on these matters may have on wages, hours, and other terms and conditions of employment.

ARTICLE 1.10 CITY - ASSOCIATION RELATIONSHIP

A. Continuity of Service to the Public

The City of Los Angeles is engaged in public services requiring continuous operations that are necessary to maintain the health and safety of all citizens. The obligation to maintain these public services is imposed both upon the City and the Association during the term of this MOU and the certification of the Association as the exclusive representative of the employees in this representation unit.

B. Mutual Pledge of Accord

Inherent in the relationship between the City and its employees is the obligation of the City to deal justly and fairly with its employees and of the employees to cooperate with their fellow employees and the City in the performance of their public service obligation.

It is the purpose of this Memorandum of Understanding to promote and ensure harmonious relations, cooperation and understanding between the City and the employees represented by the Association and to establish and maintain proper standards of wages, hours and other terms or conditions of employment.

C. No Strike - No Lockout

In consideration of the mutual desire of the parties to promote and ensure harmonious relations and in consideration of the Mutual Pledge of Accord, the City agrees that there shall be no lockout or the equivalent of members of the Association, and the Association and its members agree that there shall be no strike or other concerted action resulting in the withholding of service by the members during the term of this MOU. Should such a strike or concerted action by Association members occur, the Association shall immediately instruct its members to return to work. It is mutually understood and agreed that the City has the absolute right to impose discipline and, in that regard, shall have the right to take disciplinary action, including discharge, against any employee who participates in any manner in any strike or slowdown, withholding of services, picketing in support of a strike, or other concerted action. The curtailing of operations by the City in whole or part for operational or economic reasons shall not be construed as a lockout.

The provisions of this Paragraph C shall not detract in any way from any restrictions imposed by law on strikes and other types of work stoppages by public employees.

ARTICLE 1.11 RELEASE TIME FROM CITY SERVICE TO WORK FOR THE ASSOCIATION

The appointing authority may grant to elected officers or appointed representatives of the Engineers and Architects Association time off for employee organization representation

activities. No more than one employee in a Department or Bureau of the Department Public Works, and no more than six employees for all bargaining units, shall be allowed release time under this Article.

- B. The employee shall be paid the employee's current salary by the City while the employee is performing these duties for EAA.
- C. Employees shall retain all of their existing benefits, including, but not limited to medical, dental, deferred compensation plan, retirement benefits, and seniority accrual in their civil service class.
- D. The EAA shall reimburse the City for all documented actual salary and benefits costs incurred as a result of release time, including but not limited to, vacation, sick leave, compensated time off, retirement, short-term disability, life insurance, medical, dental, and workers compensation. The benefits costs shall be based on the benefits rates established by the City Administrative Officer as contained in the City Budget in effect during the period of release time, and the cost of other benefits approved by the Joint Labor Management Benefits Committee that become effective during this period.
- E. Payment of any overtime worked while on release time shall be the responsibility of the EAA.
- F. The EAA shall make quarterly payments to the Controller of all reimbursable costs identified in Section D above.
- G. Employees on release time shall submit weekly time sheets (signed by the employee and the EAA Executive Director or Assistant Executive Director) to their respective Departmental Personnel Officer specifying the number of hours worked, and use of any sick leave, vacation time or compensated time off.
- H. Should an employee incur a work-related injury while on release time, he/she shall remain on release time with the EAA during the period of injury-on-duty (IOD), or until the release time has ended, and shall continue to be counted in determining the six employee maximum, as provided for above.
- I. When the employee returns from release time, he/she shall return to his/her civil service classification and paygrade at the time of release.
- J. Release time shall be granted for a maximum of 12 months in any three-year period. Additional release time shall be permitted only with management's approval.

- K. The employee must have passed probation in his/her current class to be eligible for release time.
- L. The EAA shall indemnify, defend and hold the City and its officers and employees harmless against any and all claims, suits, demands or other forms of liability that might arise out of or result from any action taken by an employee in the service of the EAA.
- M. The City Administrative Officer shall maintain a list of employees who have been approved for release time and the approved duration.

ARTICLE 1.12 AMENDMENT OF MOU TO INCLUDE NEW CLASSES

Upon written notification from the Office of the City Administrative Officer to the Controller, this MOU shall be amended to incorporate the class and salary of any class accreted to this bargaining unit after the adoption of this MOU.

ARTICLE 1.13 NON-DISCRIMINATION

The parties mutually reaffirm their respective policies of non-discrimination in the treatment of any employee because of race, color, religion, national origin, sex, age, disability, marital status, sexual orientation, gender identity, gender expression, creed, ancestry, medical condition, Acquired Immune Deficiency Syndrome (AIDS) - acquired or perceived, EAA activity, political beliefs or retaliation for having filed a discrimination complaint.

The Association shall give to all heads of departments, offices or bureaus represented herein and to the City Administrative Officer a written list of its full-time Association Staff Representatives which shall be kept current by the Association.

ARTICLE 2.6 ACTIONS BY EMPLOYEE RELATIONS BOARD

If any action(s) by the Employee Relations Board prior to the expiration of this MOU result in any significant changes to the composition of this representational unit, the parties to this

MOU will meet as soon as possible thereafter to consider any revisions or amendments thereto that may be required.

ARTICLE 2.7 EMPLOYMENT OPPORTUNITIES

The Personnel Department will mail to the Association copies of all recruitment bulletins. Tentative examination bulletins approved by the Head of the Examining Division of the Personnel Department will be mailed two (2) calendar days prior to the date that said bulletins are scheduled to be approved by the Civil Service Commission.

ARTICLE 2.8 LEGISLATIVE CHECK-OFF

During the term of this MOU, a payroll deduction will be established by the Association for the purpose of allowing employees in this unit to contribute towards the Association's federal legislative activities.

Said contributions shall be deducted by the Controller from twenty-four (24) biweekly payroll checks of each employee in this unit who voluntarily consents to said contribution by submitting a payroll deduction card signed by the individual employee. Remittance of the amount of said deductions shall be sent to the Association by the Controller within thirty (30) working days after the conclusion of the month in which said deductions were deducted.

A fee of nine cents (\$.09) per deduction shall be assessed by the Controller for the processing of each payroll deduction taken. The Controller will deduct the aggregate amount of said fees on a biweekly basis. Contributions shall be made payable as directed by the Association to the Federal Legislative Action Committee of the Association.

It is agreed that neither any employee nor the Association shall have claim against the City for any deductions made or not made, as the case may be, unless a claim of error is made in writing to the Controller within thirty (30) calendar days after the date such deductions were or should have been paid.

ARTICLE 2.9 AGENCY SHOP

The following agency shop provisions shall be effective on the first day of the payperiod following the date of City Council adoption of this MOU.

A. DUES/FEES

1. a. Each permanent employee* in this unit (who is not on a leave of absence) shall, as a condition of continued employment, become a member of the certified representative of this unit, or pay the Association a service fee in an amount not to exceed periodic dues

and general assessments of the Association for the term of this MOU, or a period of one (1) year from the operative date of this Article, whichever comes first. Such amounts shall be determined by the Association and implemented by Management in the first payroll period which starts 30 days after written notice of the new amount is received by the Controller. Any increase in Association dues or fees that results from general (cost-of-living) salary increases, and/or special or technical salary adjustments, being applied to the salary of City classifications shall be implemented by Management on a prospective basis, with said increase in dues or fees being deducted commencing with the first payroll period in which the adjusted salary appears. Under no circumstances shall said increase in dues or fees be collected from employees' paychecks on a retroactive basis.

(*A permanent employee is defined as one who has completed six continuous months of City service from his/her original date of appointment and who is a member of the Los Angeles City Employees' Retirement System.)

- b. Notwithstanding any provisions of Article 2, Section 4.203 of the Los Angeles Administrative Code to the contrary, during the term of this MOU, payroll deductions requested by employees in this Unit for the purpose of becoming a member and/or to obtain benefits offered by any qualified organization other than the Association will not be accepted by the Controller. For the purpose of this provision qualified organization means any organization of employees whose responsibility or goal is to represent employees in the City's meet and confer process.
2. The CAO and the Association shall jointly notify all members of the representation unit that they are required to pay dues or a service fee as a condition of continued employment and that such amounts will be automatically deducted from their paychecks. The religious exclusion will also be explained. The cost of this communication and the responsibility for its distribution shall be borne by the City

B. EXCEPTIONS

1. Management and Confidential Employees

In accordance with Section 3502.5(c) of the Government Code, this Article shall not apply to management or confidential employees.

- a. Management and confidential employees shall be as defined in Section 4.801 and designated in accordance with Section 4.830d of the Los Angeles Administrative Code.

2. Religious Objections

Any employee who is a member of a bonafide religion, body, or sect which has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support the organization. Such employee shall, in lieu of periodic dues or agency shop fees, pay sums equal to said amounts to a non-religious, non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Code, which has been selected by the employee from a list of such funds designated by the parties hereto in a separate agreement. Such payments shall be made by payroll deduction as a condition of continued exemption from the requirements of financial support to the Association and as a condition of continued employment.

C. MANAGEMENT RESPONSIBILITIES

1. The Controller shall cause the amount of the dues or service fee to be deducted from twenty-four (24) biweekly payroll checks of each employee in this unit as specified by the Association under the terms contained herein. "Dues," as distinct from "service fee," shall be the result of voluntary consent in the form of a payroll deduction card signed by the individual employee.
 - a. Remittance of the aggregate amount of all dues, fees and other proper deductions made from the salaries of employees hereunder shall be made to the Association by the Controller within thirty (30) working days after the conclusion of the month in which said dues, fees and/or deductions were deducted.
 - b. A fee of nine cents (\$.09) per deduction shall be assessed by the City Controller for the processing of each payroll deduction taken. The City Controller will deduct the aggregate amount of said fees on a biweekly basis.
2. The Controller shall also apply this provision to every permanent employee who, following the operative date of this Article becomes a member of this representation unit, within sixty (60) calendar days of such reassignment or transfer. Such deduction shall be a condition of continued employment.
3. Management will provide the Association with the name, home address, and employee number of each permanent employee.
4. The Controller shall provide the organization, at least monthly, a status report showing all changes in the employment status of employees in this unit which affect the applicability of the provisions of this Article to those employees.

5. Information detailed above shall be provided by electronic format or in a printed report as requested by the Association.

D. ASSOCIATION RESPONSIBILITIES

1. The organization shall keep an adequate itemized record of its financial transactions and shall make available annually to the City Clerk, and to all unit employees, within sixty (60) calendar days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to its accuracy by its president and the treasurer or corresponding principal officer, or by a certified public accountant.
2. The Union certifies to the City that it has adopted, implemented and will maintain constitutionally acceptable procedures to enable non-member agency shop service fee payers to meaningfully challenge the propriety of the uses to which service funds are put; and that those procedures are in accordance with the decision of the United States Supreme Court in Chicago Teachers Union, Local No. 1, AFT, AFL-CIO, et al. v. Hudson, 106 S. Ct. 1066 (1986).
3. The Association agrees to indemnify and hold harmless the City for any loss or damage arising from the operation of this article. It is also agreed that neither any employee nor the Association shall have any claim against the City for any deductions made or not made, as the case may be, unless a claim of error is made in writing to the Controller within thirty (30) calendar days after the date such deductions were or should have been made.

E. RESCISSION

The agency shop provisions herein may be rescinded in accordance with the procedures contained in Rule 12 of the Employee Relations Board adopted January 11, 1982.

In the event that this Article is overturned by employees in this representation unit, all other articles of the MOU shall remain in full force and the prior agreement, rules, regulations and past practices relating to organizational dues deductions authorizations shall be reinstated until a successor MOU or amendment shall have been approved.

During the term of this MOU, and upon compliance with the requirements of the Los Angeles Administrative Code and the rules and regulations of the Controller pertaining thereto, Association dues and such other deductions as may be properly requested and lawfully permitted will be deducted by the Controller biweekly in twenty-four (24) increments annually from the salary of each employee in the Unit who files with the Controller a written authorization that such deductions be made. A

nine cent (\$.09) fee will be assessed by the Controller for the processing of each deduction taken, and will be deducted biweekly. Payroll deductions for Association dues shall be increased proportionately in the same pay period as any general salary increase for this Unit is implemented. Remittance of the aggregate amount of said dues will be made to the Association by the Controller within thirty (30) working days after said dues and/or deductions were deducted. Any increase in Association dues or fees that results from general (cost-of-living) salary increases, and/or special or technical salary adjustments, being applied to the salary of City classifications shall be implemented by Management on a prospective basis, with said increase in dues or fees being deducted commencing with the first payroll period in which the adjusted salary appears. Under no circumstances shall said increase in dues or fees be collected from employees' paychecks on a retroactive basis. Remittance of dental plan deductions will be made in a like manner, except the payments shall be sent to the Association but shall be made payable to the dental insurance carrier.

ARTICLE 3.0 GRIEVANCES

ARTICLE 3.1 GRIEVANCE PROCEDURE*

***Any grievance filed by an employee prior to the adoption of this MOU shall be processed under the grievance procedure included in the MOU adopted as of February 2, 2007.**

The following procedure shall apply to all grievances filed subsequent to adoption of this MOU:

STATEMENT OF INTENT

Management and the Association have a mutual interest in resolving workplace issues appropriately, expeditiously and at the lowest level possible. In recognition of this mutual interest, the parties acknowledge that the grievance process is not a replacement for daily communication between the employee and the supervisor, nor is it inherently an adversarial process. Rather, it is a process to mutually resolve workplace issues to the maximum extent possible within the organization.

Section I - Definitions

A. Grievance

A grievance is defined as a dispute concerning the interpretation or application of this written MOU, or departmental rules and regulations governing personnel practices or working conditions applicable to employees covered by this MOU. The parties agree that the following shall not be subject to the grievance procedure:

1. An impasse in meeting and conferring upon the terms of a proposed Memorandum of Understanding.
2. Any matter for which an administrative remedy is provided before the Civil Service Commission.
3. Any issue that the parties agree to refer to another administrative resolution process.

B. Employee Comment Sheet (Comment Card) – LAPD

Employee Comment Sheets (Comment Cards) are used to document positive and negative conduct or incidences. Employee Comment Sheets (Comment Cards) are not considered disciplinary in nature. It is mutually agreed that in the Los Angeles Police Department an “Employee Comment Sheet” (Comment Card) is not grievable or arbitrable. An employee may use an Employee’s Report, Form 15.7, to make a written response to the Employee Comment Sheet (Comment Card) within 30 days after it is served.

Section II - Responsibilities and Rights

- A. Nothing in this grievance procedure shall be construed to apply to matters for which an administrative remedy is provided before the Civil Service Commission. Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair labor practice under the jurisdiction of the Employee Relations Board, the employee may elect to pursue the matter under either the grievance procedure herein provided, or by action before the Employee Relations Board. The employee’s election of either procedure shall constitute a binding election of the remedy chosen and a waiver of the alternative remedy.
- B. No grievant shall lose the right to process a grievance because of Management imposed limitations in scheduling meetings.
- C. The grievant has the responsibility to discuss the grievance informally with the immediate supervisor. The immediate supervisor will, upon request of a grievant, discuss the grievance with the employee at a mutually satisfactory time. The grievant may be represented by a representative of the grievant’s choice in the informal discussion with the immediate supervisor and in all formal review levels and in arbitration. When more than one employee in a department is aggrieved, and the facts and issues of the alleged grievance are the same, and if affected employees agree to waive their right to discuss the grievance with their immediate supervisor, a single immediate supervisor will be designated by department Management to discuss the grievance at the informal level with one affected employee designated to represent the grievance and the employees’ representative. Such grievance will be processed as a single grievance through all formal levels of review. All affected

employees involved in the action must waive their respective rights to file an individual grievance on the same issue and to discuss the grievance at the informal level with the respective immediate supervisors on a form provided by Management prior to the discussion with the designated supervisor.

In instances where more than one employee in a department is aggrieved, the Association may elect to file the grievance on behalf of the employees. The facts and issues of the alleged grievance must be the same. Such grievance must contain the names of all grievants and the specific facts pertaining to each grievant. At the time of filing the grievance, the Association may request that the first level of review be at a level higher than Step 1 and shall provide justification for such request. A single supervisor will be designated by department Management to discuss the grievance at each level with one affected employee designated to represent the grievance and the Association. Such grievance will be processed as a single grievance through all formal levels of review. All affected employees involved in the action must waive their respective rights to file an individual grievance on the same issue and to discuss the grievance at the informal level with their respective immediate supervisors on a form provided by Management prior to the discussion with the designated supervisor. Such form shall also include a statement that the employee understands that he/she is party to a grievance filed by the Association.

- D. The time limits between steps of the grievance procedure provided herein may be extended by mutual agreement; or, by mutual agreement, the grievant and Management may waive one or more levels of review from this grievance procedure.
- E. Management shall notify the Association of any formal grievance filed that involves the interpretation and/or application of the provisions of this MOU, and a paid Association Staff Representative shall have the right to be present and participate in the discussion at any formal grievance meeting concerning such a grievance. The paid Association Staff Representative who elects to attend the grievance meeting shall notify the head of the department, office or bureau.

The Association is to be notified of the resolution of all other formal grievances.

Section III - Procedure

GENERAL PROVISIONS

1. BINDING ELECTION OF PROCEDURE

Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair labor practice under the jurisdiction of the Employee Relations Board, the employee must elect to pursue the matter

under either the grievance procedure herein provided, or by action before the Employee Relations Board. The employee's election of either procedure shall constitute a binding election of the procedure chosen and a waiver of the alternate procedure.

2. GRIEVANCE PROCESS RIGHTS

No grievant shall lose his/her right to process his/her grievance because of Management-imposed limitations in scheduling meetings.

3. TIME, TIME LIMITS AND WAIVERS

"Business days" shall be defined as Monday thru Friday, exclusive of City Holidays, as defined in Article 7.5 of this MOU.

The time limits between steps of the grievance procedure provided herein may be extended by mutual agreement, not to exceed sixty (60) business days. In addition, the grievant and Management may jointly waive one level of review from this grievance procedure.

4. MEDIATION

At any step following the Informal Discussion in the grievance process, the Union or Management may request mediation, by letter to the department's personnel officer. Within ten (10) business days of receipt of a request for mediation, the receiving party shall either return the request without action or request that the Employee Relations Board appoint a mediator. The Employee Relations Board shall attempt to obtain the services of a mediator from the State Mediation and Conciliation Service. If a State mediator is unavailable, Union and Management may jointly agree to a mediator selected by the Executive Director of the Employee Relations Board. The fees of such mediator shall be shared equally by Union and Management.

The primary effort of the mediator shall be to assist the parties in settling the grievance in a mutually satisfactory fashion. The mediation procedure shall be informal, i.e., court reporters shall not be allowed, the rules of evidence shall not apply, and no formal record shall be made. The mediator shall determine whether witnesses are necessary in the conduct of the proceedings.

If settlement is not possible, the mediator may be requested to provide the parties with an immediate oral opinion as to how the grievance would be decided if it went to arbitration. Such opinion shall be advisory only. Upon mutual agreement of the parties, the mediator may be requested to furnish such opinion in writing, along with a brief statement of the reasons for the opinion. Such opinion shall not be used during any subsequent arbitration.

Notwithstanding the above, and Section 4.865 of the Employee Relations Ordinance, the parties may mutually agree to accept the opinion of the mediator as binding.

If mediation does not resolve the issue, the grievant has ten (10) business days to file an appeal to the next level in the procedure.

5. EXPEDITED ISSUES

To resolve issues at the appropriate level, the following issues will be automatically waived to the General Manager level of the grievance process.

- Suspensions without pay
- Allegations of failure to accommodate medical restrictions
- Allegations of retaliation
- Whistleblower complaints

Additional issues may be waived to the General Manager level upon mutual agreement of the union and management.

GRIEVANCE PROCESS

STEP 1 - ISSUE IDENTIFICATION AND INFORMAL DISCUSSION

The employee shall discuss the issue with the immediate supervisor on an informal basis to identify and attempt resolution of the employee's issue within ten (10) business days following the day the issue arose. The employee shall have the affirmative responsibility to inform the supervisor that the issue is being raised pursuant to this grievance procedure.

The immediate supervisor shall meet with the employee, secure clarification of the issue, consider the employee's proposed solution, and discuss possible alternative solutions and/or other administrative remedies. The immediate supervisor shall inform the department's personnel office, and the personnel director shall inform the union of the grievance. The immediate supervisor shall respond verbally within ten (10) business days following the meeting with the employee. Failure of the supervisor to respond within the time limit shall entitle the employee to process the issue to the next step.

STEP 2

If the issue is not resolved at Step 1, or jointly referred to another administrative procedure for resolution, the employee may, within ten (10) business days of receiving the response from the immediate supervisor, serve a grievance initiation form with the immediate supervisor (or another member of management if the

immediate supervisor is not available within the ten day filing period), who will accept it on behalf of management and immediately forward it to the next level manager above the immediate supervisor who is not in the same bargaining unit as the employee.

The manager, or appropriate designee, shall meet with the employee within ten (10) business days of the date of service of the grievance form at this Step to discuss the facts and solicit information on possible solutions or other appropriate administrative procedures. The manager will provide a written response to the employee within ten (10) business days of meeting with the employee. Failure of management to respond within the time limit shall entitle the grievant to process the grievance to the next step.

STEP 3

If the grievance is not resolved at Step 2, the employee may serve a written appeal to the General Manager, or designee, within ten (10) business days following (a) receipt of the written response at Step 2, or (b) the last day of the response period provided for in Step 2. The General Manager or designee shall meet with the employee within ten (10) business days of the date of service of the appeal, discuss the facts, and solicit information on possible alternative solutions. A written response will be provided to the employee within twenty (20) business days from the date of meeting with the employee.

Los Angeles Police Department only:

If the grievance is not resolved at Step 2, the employee may serve a written appeal with the Chief of Police. If the Chief of Police, or designee, fails to respond within ten (10) business days, the grievant may process the grievance to the next level. The employee may serve written notice of the grievance to the Police Commission, or designee, within ten (10) business days following (a) receipt of the written response at Step 3, or (b) the last day of the response period provided for in Step 3. Failure of the grievant to serve such notice upon the Chief of Police shall constitute a waiver of the grievance. The grievance shall be heard by the Commission, or designee, within ten (10) business days of the receipt of the appeal, and a written decision shall be rendered within 30 business days from the date of meeting with the employee.

STEP 4 - ARBITRATION

If the written response at Step 3, or mediation, does not settle the grievance, or management fails to provide a written response within 30 business days of the Step 3 meeting in the Police Department, the Step 3 meeting includes Chief of Police and Police Commission levels of review. The Union may elect to serve a written request

for arbitration with the Employee Relations Board. A copy of this notice shall be served upon the department's personnel officer. The request for arbitration must be filed with the Employee Relations Board within twenty (20) business days following (a) the date of service of the written response of the General Manager/Commission or the designee, or (b) the last day of the response period provided for in Step 3 or 3A. Failure of the Union to serve a written request for arbitration with the Employee Relations Board within said period shall constitute a waiver of the grievance.

If such written notice is served, the parties shall jointly select an arbitrator from a list of seven arbitrators furnished by the Employee Relations Board, within ten (10) business days following receipt of said list. Failure of the Union to notify the Employee Relations Board of the selected arbitrator within 60 business days of receipt of said list shall constitute a waiver of the grievance.

1. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. The proceedings shall be conducted in accordance with applicable rules and procedures adopted or specified by the Employee Relations Board, unless the parties hereto agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being mutually understood that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party incurring same.
2. The decision of an arbitrator resulting from any arbitration of a grievance hereunder shall be binding upon the parties concerned.
3. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.

PROCEDURE FOR GRIEVANCES AFFECTING A GROUP OF EMPLOYEES

The Union may elect to file a grievance on behalf of two or more employees employed in the same department, office, or bureau. The facts and issues of the grievance must be the same.

PROCEDURE:

STEP 1

The Union shall file the grievance in writing with the General Manager, or designee, of the affected department within twenty (20) business days following the day the issue arose. To the extent possible, the filing shall include the issue of the grievance, proposed solution(s), the names of the employees impacted by the issue,

and the specific facts pertaining to each grievant and completed waiver forms for each participating grievant employed in that department, office, or bureau. All employees participating in the grievance must waive their respective rights to file an individual grievance on the same issue by completing an individual grievance waiver form which shall be included with the group grievance submittal.

The General Manager, or designee, shall provide written notification to the Employee Relations Division of the City Administrative Officer of the receipt of the grievance. The General Manager, or designee, shall meet with no more than two grievants named in the group grievance and the Union within twenty (20) business days of receipt of the complete and proper group grievance filing to review the facts, solicit information on the proposed solution(s), or consider other appropriate administrative procedures. The General Manager, or designee, may include department managers who have knowledge of the grievance issues and/or representatives from the CAO's Employee Relations Division in the meeting with the union. The General Manager, or designee, shall prepare a written response within twenty (20) business days of the meeting.

Los Angeles Police Department only:

Step 1A

If the grievance is not resolved at Step 1, or the Chief of Police, or designee, fails to respond within the time limit, the union may process the grievance to the next level. The union may serve written notice of the grievance to the Police Commission, or designee, within ten (10) business days following (a) receipt of the written response at Step 1, or (b) the last day of the response period provided for in Step 1. Failure of the union to serve such notice shall constitute a waiver of the grievance. The grievance shall be heard by the Commission, or designee, within ten (10) business days of the receipt of the appeal, and a written decision shall be rendered within 30 business days from the date of meeting with the union.

STEP 2

If the grievance is not settled at Step 1, or Step 1A in the Police Department, the Union may file for arbitration pursuant to the procedure in Step 4 – Arbitration, above.

ARTICLE 3.2 GRIEVANCE REPRESENTATION

The Association may designate a reasonable number of grievance representatives who must be members of the Unit, and shall provide all departments, offices or bureaus with a written list of employees who have been so designated. Management will semi-annually accept changes to the list presented by the Union. A grievance representative, if so requested, may represent a grievant at all levels of the grievance procedure.

The grievant and the representative may have a reasonable amount of paid time off for the purpose of presenting grievances. However, said representative will receive paid time off only if a member of the Union; is in the same Unit as the grievant; is employed by the same department, office or bureau as the grievant; and is employed within a reasonable distance from the work location of the grievant.

The grievant's supervisor must concur regarding the necessary time off for presenting the grievance at the appropriate level. The grievant shall notify the representative of the meeting arrangements.

If a grievance representative must leave the work location to represent a grievant, permission shall first be obtained from the representative's supervisor on a form provided for such purpose. Permission to leave will be granted unless such absence would cause an unreasonable interruption of work. If such permission cannot be granted promptly, the grievance representative will be informed when time can be made available. Such time will not be more than forty-eight (48) hours, excluding scheduled days off and/or legal holidays, after the time of the grievance representative's request unless otherwise mutually agreed to. Denial of permission to leave at the time requested will, upon mutual agreement, constitute an extension of time limits provided in the grievance procedure equal to the amount of the delay.

Time spent on grievances outside of regular working hours of the employee or the representative shall not be counted as work time for any purpose. Whenever a grievance is to be presented during the working hours of the grievant and/or the representative, only that amount of time necessary to bring about a prompt disposition of the grievance will be allowed.

ARTICLE 3.3 GRIEVANCES REGARDING SUSPENSIONS

Grievances involving suspensions of five (5) days or less in the aggregate during a twelve month period may be filed, by mutual agreement, at any Step of the Grievance Procedure, but at no Step lower than Step 2.

ARTICLE 4.0 ON THE JOB

ARTICLE 4.1 SAFETY

Section I

Safety clothing and devices currently provided by Management shall continue to be provided, as long as the need exists. The Association will encourage all members of the Unit to utilize said safety clothing and devices to the fullest extent possible.

Section II

Management will make every reasonable effort to provide safe working conditions. Each employee should be alert to unsafe practices, equipment and conditions, and should report any hazardous condition promptly to his/her immediate supervisor. Said Supervisor should:

- a. Correct or eliminate the hazardous condition if correction or elimination thereof is within the authority and capability of the supervisor; or
- b. Safeguard a hazardous condition in such a manner as to preclude injury to personnel and/or property damage, and promptly report the nature and location of the hazardous condition to the next level of supervision designated by departmental management for said purpose, if elimination of the hazardous condition is not within the immediate supervisor's capability; or
- c. If elimination of the hazardous condition is not within the capability of the second level of supervision to correct, he/she shall promptly report the problem to the next designated level of supervision or inform the Departmental Safety Coordinator about the problem.

Section III

If the procedures for handling a reported hazardous condition are not initiated, or if initiated, fail to affect a satisfactory solution of the problem within a reasonable time, the employee or his/her representative may call the City Occupational Safety Office and report such hazard.

Unresolved complaints hereunder may be referred to the State Safety Engineer for processing under the CAL/OSHA rules and regulations.

ARTICLE 4.2 PERSONNEL FOLDERS

An employee shall be entitled to review the contents of any of his/her departmental personnel folder(s) at reasonable intervals, upon request, during hours when his/her personnel office is normally open for business. Such review shall not interfere with the normal business of the department, office or bureau.

No evaluative or disciplinary document may be placed in an employee's personnel file without his/her review and a copy of the document presented to him/her for his/her records. The employee shall acknowledge that he/she has reviewed and received a copy of the document by signing it with the understanding that such signature does not necessarily indicate agreement with its contents.

A written reprimand or "Notice to Correct Deficiencies" will be sealed upon the written

request of an affected employee if he/she has not been involved in any subsequent related incidents that resulted in written corrective counseling or other Management action for a period of four (4) years from the date the most recent notice was issued or Management action taken.

Pursuant to the above paragraph, those documents, either removed from the personnel file or sealed, shall be available upon subpoena or other appropriate legal request.

ARTICLE 4.3 ACTING ASSIGNMENT PAY

Section I - Definition

It is the intent of Management to avoid working an employee on an out-of-class assignment. An out-of-class assignment is defined as any assignment requiring substantial work in a higher level position which is not usually included within the scope of the duties and responsibilities as defined by the class specifications for the class to which the assigned employee's regular position is allocated.

Section II - Waivers and Exceptions

- a. Nothing in this Section shall be construed as limiting Management's authority to make temporary assignments of qualified personnel during emergencies or unusual operating conditions. However, such assignments shall not be extended beyond the period of emergency or unusual operating conditions.

- b. Whenever an employee performs duties outside of the normal duties of his/her position for the purpose of training or providing experience, written confirmation of such performance will be placed in the employee's personnel file upon request by the employee. Management shall designate a knowledgeable person to supervise said training or experience.

Section III - Rate of Pay

An employee temporarily assigned higher level duties under the provisions of Section II.a, will continue to receive the rate of pay for his/her regular classification and pay grade. Upon completion of a qualifying period of thirty (30) working days during any ninety (90) calendar day period on such assignment, such employee shall become eligible for additional compensation. The higher compensation shall begin on the 31st working day of the assignment and shall continue thereafter for each day that the employee works in such assignment. Each such temporary assignment shall require completion of a new qualifying period each fiscal year, except when such assignment is either continuous or in the same City department, office or bureau. The employee qualifying for additional compensation shall receive salary at the second premium level (5.5%) above the appropriate biweekly

rate for his/her class for each day on duty in such assignment. In the event that said assignment exceeds one hundred eighty (180) consecutive calendar days, Management will initiate a request to provide the higher level position authority, or initiate action to appoint a qualified employee to said position.

ARTICLE 4.4 REST PERIODS

Each employee shall be granted a minimum fifteen (15) minute rest period in each four (4) hour period; provided, however, that no such rest period shall be taken during the first or last hour of any employee's working day nor in excess of fifteen (15) minutes without the express consent of the designated supervisor.

Management reserves the right to suspend the rest period or any portion thereof during an emergency. Any rest period so suspended or not taken at the time permitted shall not be accumulated or carried over from one day to any subsequent day, or compensated for in any form.

ARTICLE 4.5 RAIN GEAR

Management will provide rain gear to employees in the class listed below who are required to work outside in inclement weather as a normal part of their job duties. Management shall replace such gear when no longer serviceable.

ARTICLE 4.7 TELECOMMUTING

Management acknowledges the City of Los Angeles Telecommuting Program (C.F. 93-225), and that employees may be considered for eligibility by management of their respective departments/bureaus in accordance with the Telecommuting Action Plan.

Management will comply with this Plan, the provisions of which shall be superseded by any modifications adopted by the Joint Labor/Management Committee on Employee Parking and Transportation Options, or other body so authorized to make such modifications.

ARTICLE 5.0 WORK SCHEDULES

ARTICLE 5.1 WORK SCHEDULES

Pursuant to the Fair Labor Standards Act (FLSA), employees shall have a fixed workweek that consists of a regular recurring period of 168 consecutive hours (seven 24-hour periods) which can begin and end on any day of the week and at any time of the day. The designated workweek for an employee may be changed only if the change is intended to be permanent and not designed to evade overtime requirements of the FLSA. Management may assign employees to work a four/ten, five/forty, nine/eighty, or other work schedule. The Association will be entitled to consult with Management on the matter prior to the proposed action. The Association will also be entitled, upon request, to consult with Management if Management intends to deny a change in schedule to an employee. Management may require employees to change their work schedules (working hours or change days off, except the split day) within the same FLSA work week, providing that the change is not arbitrary, capricious or discriminatory. In the event Management's actions are shown to be arbitrary, capricious, or discriminatory before an arbitrator, the award of the

arbitrator shall be to reverse the action of Management. However, the decision of the arbitrator shall be binding or advisory in accordance with Section 3.1. No employee shall be required to work a four/ten schedule against his or her will.

Management shall retain the right to refuse an employee's request to work a four/ten, nine/eighty, or other work schedule, and to require the reversion to a five/forty work schedule, providing that the exercise of such right is not arbitrary, capricious, or discriminatory. In the event Management's actions are shown to be arbitrary, capricious, or discriminatory before an arbitrator, the award of the arbitrator shall be to reverse the action of Management. However, the decision of the arbitrator shall be binding or advisory in accordance with Section 3.1.

Employees on a nine/eighty modified work schedule shall have designated a regular day off (also known as 9/80 day off) which shall remain fixed. Temporary changes to the designated 9/80 day off at the request of Management or the employee are prohibited unless it is intended for the employee to work additional hours (overtime).

Employees on a four/ten work schedule shall work ten hours per day for a four day work week (or twelve hours per day for a three day work week in the Information Technology Agency only) exclusive of lunch periods. Employees shall be entitled to rest periods in accordance with the provisions of Section 4.4. Employees shall be compensated for 40 hours per week at the regular hourly rate for their class and paygrade.

It is a management right to require employees who work on a four/ten, nine/eighty, or three/twelve work schedule to work overtime on Saturday rather than on their day off which falls within the week. Employees who work on a schedule other than five/forty shall have their sick leave, vacation and holiday credits accrued at the same hourly rate as an employee on the five/forty schedule.

The City reserves the right to develop 26-week/1040 hours or 52-week/2080 hours work periods under FLSA Section 7(b) [29 USC §207(b)(1) and (2)] during the term of this document for the purpose of increasing scheduling flexibility. Implementation of this work schedule is subject to agreement by the City and the Association and certification of the Association as bona fide by the National Labor Relations Board (NLRB).

ARTICLE 5.2 DEPLOYMENT PERIOD (POLICE DEPARTMENT)

Notwithstanding the provisions of Sections 4.108 (Regular Hours of Work) and 4.113 (Overtime) of the Los Angeles Administrative Code to the contrary, employees in this Unit who are employed in the Police Department shall have a work schedule consisting of twenty (20) days of work in each twenty-eight (28) day deployment period. Such day may be eight (8) hours, seven and one-half (7 1/2) hours, or seven (7) hours as determined by the Chief of Police.

Said twenty (20) days of work or the equivalent number of days for an alternate work schedule may be scheduled at such time during two (2) biweekly pay periods as the Chief of Police may direct.

This Article shall not be construed to prohibit the implementation of flexible work schedules.

ARTICLE 5.3 72- HOUR WORK SCHEDULE

Notwithstanding Section 4.108(a) of the Los Angeles Administrative Code, whenever a full-time employee voluntarily reduces the number of his/her biweekly regular work hours from eighty (80) to a number not less than seventy-two (72) at the request of, or with the permission of, his/her appointing authority, such employee shall be credited with all rights and benefits as though he/she worked eighty (80) hours in the payroll period. The employee shall not be credited for overtime worked until more than forty (40) hours have been worked in the workweek. Compensation received under this Article shall be considered full compensation for all employees participating in the voluntary work hour reduction program.

ARTICLE 6.0 COMPENSATION

ARTICLE 6.1 SALARIES

A. The parties hereby agree that salary ranges set forth in Appendix A shall be operative on July 1, 2010.

ARTICLE 6.2 OVERTIME

Section I - Distribution of Overtime

Management will attempt to assign overtime work as equitably as possible among all qualified employees in the same classification, in the same organizational unit and work location. However, Management may consider special skills required to perform particular work. No employee shall work overtime without prior approval from his or her supervisor. FLSA non-exempt employees may not work outside of scheduled working hours, or during unpaid meal periods, without the prior approval of a supervisor, consistent with department policy. Failure to secure prior approval may result in discipline. Working and not recording the time is similarly prohibited.

Section II - Non-emergency Overtime

Whenever Management deems it necessary to perform non-emergency work on an overtime basis, employees required to work will be given at least forty-eight (48) hours notice.

Section III - FLSA Non-Exempt Employees

a. Rate and Method of Overtime Compensation

Compensation for overtime shall be for all hours worked in excess of 40 hours in a workweek. Compensation for overtime worked by employees in this unit who are employed in a class or paygrade, if the class has multiple paygrades, with a 5th step regular biweekly rate, without bonuses, at or below the 5th step regular biweekly rate for the class of Rehabilitation Project Coordinator II in Council-controlled departments, shall, be in time off at the rate of one and one-half (1½) hours for each hour of overtime worked; or in cash at one and one-half (1½) times the employee's regular rate of pay. The method of overtime compensation shall be at the discretion of Management.

b. Compensated Time Off

Employees may, subject to Management discretion, be permitted to accumulate up to 80 hours of compensated time off (CTO). Occasionally, employees may accumulate CTO in excess of 80 hours for a temporary period of time, not to exceed an additional fiscal year. If an employee does not schedule and take CTO over 80 hours prior to the end of the fiscal year, Management may require the employee to use CTO prior to the end of the fiscal year; require employees to use such time in lieu of vacation (unless the mandatory use of CTO would result in the loss of vacation accumulation) or other leave time; or authorize cash payment. In the event sufficient funds are not available to provide cash compensation for all or a portion of the CTO hours in excess of 80, Management may extend the time limit for use or payment of the excess hours for a period not to exceed one additional fiscal year.

In accordance with FLSA, no employee shall lose CTO. An employee who has requested the use of CTO for overtime worked must be permitted by Management to use such time within a reasonable time period after making the request unless the use of the CTO within a reasonable period would unduly disrupt the operations of the City department. This standard does not apply to non-FLSA overtime (i.e., overtime earned pursuant to this agreement that does not meet the FLSA definition of overtime).

Under no circumstances shall compensated time off in excess of 240 hours be accumulated.

Section IV - Salaried Employees

Employees who qualify for exemption from the Fair Labor Standards Act overtime provisions based upon duties and who are assigned to a class or pay grade, if the class has multiple paygrades, with a 5th step regular biweekly rate, without bonuses, above the

5th step regular biweekly rate for the class of Rehabilitation Project Coordinator II in Council-controlled departments, shall be treated as salaried employees, in accordance with the provisions of the Fair Labor Standards Act.

Salaried employees may be assigned 5/40, 4/10, 9/80 or other schedules at the discretion of Management. Notwithstanding any Los Angeles Administrative Code and MOU provisions, or other City department rules and regulations to the contrary, these employees shall not be required to record specific hours of work for compensation purposes, although hours may be recorded for other purposes. These employees will be paid the predetermined salary for each biweekly pay period, as indicated in Appendix A, and shall not receive overtime compensation. Salaried employees shall not be subject to deductions from salary or any leave banks for absence from work for less than a full workday. This provision applies to occasional partial day absences from work which are authorized by the appropriate supervisor designated by management. This provision does not apply to long-term or recurring partial day absences (e.g., intermittent leave/reduced work schedule for purposes of Family/Medical Leave).

Salaried employees shall not be subject to disciplinary suspension for a period of less than a workweek (seven days; half of the biweekly pay period) unless based on violations of a safety rule of major significance. This requirement shall be superseded by the revised Department of Labor FLSA regulations pertaining to disciplinary suspensions of FLSA-exempt employees on the operative date of the FLSA regulations.

The appointing authority of each City department may grant time off for hours worked due to unusual situations.

ARTICLE 6.3 SHIFT DIFFERENTIAL

Notwithstanding the provisions of Note N of Schedule A of Section 4.61 of the Los Angeles Administrative Code, any employee, when required to work 50% or more of his/her time during his/her regular shift on any one day between the hours of 5:00 p.m. and 8:00 a.m., shall receive for each such day worked, salary at the second premium level rate above the appropriate step rate of the salary range prescribed for his/her classification. The procedure for the payment of adjusted compensation for work performed under the provisions of this Section shall be in accordance with Sections 4.72, 4.74, and 4.75 of the Los Angeles Administrative Code.

Notwithstanding the provisions of Note N of Schedule A of Section 4.61 of the Los Angeles Administrative Code, an employee of the Department of Recreation and Parks who is assigned a work schedule that ends at 9:00 p.m. or later shall receive for each such day worked, salary at the second premium level above the appropriate step rate of the salary range prescribed for his/her classification. The procedure for the payment of adjusted compensation for work performed under the provisions of this Article shall be in accordance with Sections 4.72, 4.74, and 4.75 of the Los Angeles Administrative Code.

ARTICLE 6.4 BILINGUAL BONUS

Whenever an appointing authority determines that it is necessary or desirable that a position be filled by a person able to converse fluently in a language other than English, or write or interpret a language other than English, the appointing authority shall transmit to the Controller written authorization approving payment of a bilingual premium, as provided by this Section to the person occupying such a position and possessing such bilingual skills.

After authorizing payment of a bilingual premium, the appointing authority shall certify to the Controller the name of an employee eligible for a bilingual premium and the Personnel Department shall certify to the Controller that the employee has qualified under its standard of fluency and proficiency for said language. Persons certified as being qualified by the Personnel Department shall receive a bilingual bonus of \$25 biweekly for duties requiring that they converse fluently in a language other than English, or \$50 biweekly for duties requiring that they interpret a language other than English, in addition to conversing fluently in that other language. Compensation provided for in this Section shall be paid at the beginning of the first full biweekly pay period once the employee has been certified by the Personnel Department.

ARTICLE 6.5 SIGN LANGUAGE PREMIUM

Any qualified employee who is requested by the hearing impaired assistance center to utilize sign language shall receive compensation equal to 2.75 percent of his/her salary or wages for each business day the skill is utilized. Such practice of paying this additional compensation shall be in accordance with Section 4.84.1 of the Los Angeles Administrative Code.

ARTICLE 6.6 COURT APPEARANCES

Section I

The following court provisions will apply to all employees in the Unit, except those in the Police Department.

When an employee is required to appear in the Court in and for the County of Los Angeles outside of his/her normal duty hours, but on a matter arising within the scope of his/her employment, said employee shall be entitled to receive a minimum of one hour at 1½ times his/her regular rate of pay. Time spent in excess of the one-hour minimum guarantee shall also be at the rate of 1½ times the employee's regular rate of pay, payable in six (6) minute increments. No compensation shall be paid for the first forty-five (45) minutes of the Court's noon recess, provided, however, that no such compensation shall be allowed unless such employee is in actual attendance in court. Such compensation for court appearances may be in either time off or cash. Call back provisions are not applicable to court appearances.

Section II

The following court provisions shall apply to employees in the Police Department only.

These provisions apply only for the payment of overtime for court appearances outside of the normal duty hours of employees. Call back provisions are not applicable to court appearances.

A. Basic Compensation

An employee, at the employee's option, may report to court when subpoenaed or remain on call. If the employee elects to appear in court, the division supervisor must be notified, at the latest, one administrative day prior to the scheduled court appearance. If the employee wishes to remain on call, the employee must be able to appear in court not more than one hour after being notified that the employee's appearance is required in court. To appear in court more than an hour after having been notified will void the employee's right to on-call compensation. An employee need not remain at home, but must be available for telephonic notification at a location where the supervisor knows the employee can be reached.

1. An off-duty employee shall receive a minimum of two (2) hours overtime compensation for any court day he/she is subpoenaed to be on call or required to appear.
2. An off-duty employee shall receive hour-for-hour overtime compensation for each additional hour of actual attendance in excess of the two (2) hour minimum provided for in paragraph A(1) above, with the following noontime recess exceptions:

| <u>Length of Recess</u> | <u>Amount of Compensation</u> |
|------------------------------------|---|
| Forty-five (45) minutes or less | None |
| Forty-six (46) minutes or more | All time over forty-six (46) minutes (in six [6] minute increments). |

NOTE: An employee shall not receive court on-call overtime compensation and hour-for-hour overtime compensation for the same time period.

B. Multiple Cases

An off-duty employee who receives morning and afternoon subpoenas for separate cases on a court day shall receive overtime compensation as in paragraph A(1) above, for each case for a total of four (4) hours. In addition, he/she shall receive hour-for-hour overtime compensation for each additional hour of actual court attendance in excess of two (2) hours.

C. Exceptions to the Two-Hour Minimum

Management will attempt to adjust an employee's shift to accommodate court appearances or on-call status commencing two hours or less before or after the employee's regularly assigned shift begins or ends. If an employee's shift cannot be adjusted, the employee will be compensated as follows:

1. Court appearances or on-call status commencing two (2) hours or less before the employee's regularly assigned shift begins. Compensation will be for the actual time between the commencement of the court appearance or on-call and the beginning of the employee's assigned shift with the same noon recess provisions as outlined in paragraph A (2) above.
2. Court appearances commencing two (2) hours or less after the employee's regularly assigned shift ends. Compensation will be for the actual time between the end of the employee's assigned shift and the termination of the court appearance with the same noon recess provisions as outlined in paragraph A (2) above.
3. Court appearances or on-call status that begins during an employee's regularly assigned shift. Compensation will be for the actual time between the end of the employee's assigned shift and the termination of the court appearance or on-call status with the same noon recess provisions as outlined in paragraph A (2) above.

ARTICLE 6.7 CIVIC DUTY

Whenever an employee is served with a subpoena by a court of competent jurisdiction which compels his/her presence as a witness during his/her normal working period, unless he/she is a party to the litigation or an expert witness, such employee shall be granted time off with pay in the amount of the difference between the employee's regular earnings and any amount he/she receives for such appearance. This Article is not applicable to appearances for which the employee receives compensation in excess of his/her regular earnings.

A court of competent jurisdiction is defined as a court within the County in which the employee resides or if outside the county of residence, the place of appearance must be within 150 miles of the employee's residence.

ARTICLE 6.8 JURY SERVICE

Any employee who is duly summoned to attend any court for jury service or has been nominated and selected to serve on the Grand Jury of Los Angeles County shall, for those days during his/her scheduled working period during which jury service is actually performed and for those days necessary to qualify for jury service, receive his/her regular salary. Any jury attendance fees received by an employee who receives his/her regular salary pursuant to this provision, except those fees received for jury service performed on a regular day off or a holiday, shall be paid to the City. The absence of any employee for the purpose of performing jury service during his/her scheduled working period shall be deemed to be an authorized absence with pay within the meaning of Section 4.75 of the Los Angeles Administrative Code, with pay calculated pursuant to the Code.

ARTICLE 6.9 MILITARY LEAVE

Every employee who qualifies for and is granted a military leave, whether temporary or otherwise, pursuant to the provisions of the Military and Veterans Code of the State of California, shall, before he/she is paid his/her salary or compensation during such leave, any part thereof, as provided in said Code, furnish to his/her appointing authority two certified copies of his/her orders, one (1) copy to be filed in the department in which he/she is employed and the other with the Controller. In lieu of the orders, the employee shall furnish to the appointing authority, upon forms provided by the Controller, certified evidence of his/her entry into active service in the armed forces of the United States and the date thereof. Any certification required by this Section may be made by any authorized officer of such armed forces. The Controller shall have power at any time to require such additional satisfactory evidence of the entry of such employee into active service in such armed forces and of the actual performance by the employee of ordered military duty during all or any part of such leave.

In determining whether an employee has been in the service of the City for a period of not less than one year immediately prior to the date on which the absence begins, continuous service shall be required.

Unit members called into active military service (other than temporary military leave) shall accrue vacation time, and be entitled to the cash-out of accrued, but unused vacation time, in accordance with Article 7.6 "Vacation", Section II of this MOU.

ARTICLE 6.10 MILEAGE

Each employee that is authorized to use his/her own vehicle, pursuant to Division 4, Chapter 5, Section 2 of the Los Angeles Administrative Code (LAAC), in the performance of his/her duties shall be reimbursed for transportation expenses at the Internal Revenue Service rate established on January 1st of each calendar year or at subsequent times during the calendar year for all miles traveled in any biweekly period, in addition to any and all salaries and other compensation otherwise provided for by law.

Notwithstanding Section 4.231 of the LAAC, employees authorized to use their personal vehicles pursuant to Section 4.229 of the LAAC who are required by Management to bring the vehicle to work each day shall receive a minimum payment of 10 miles per day, regardless of whether the vehicle is driven for City business. If an employee is not authorized or required to bring a vehicle to work for use in the course of their work assignment, they will no longer be provided a minimum payment of 10 miles per day.

The cents per mile reimbursement shall be adjusted to an amount equal to the annual standard car mileage allowance as determined by the Internal Revenue Service (IRS). The City Administrative Officer shall certify to the Controller appropriate changes, if required, to become effective at the beginning of the first full pay period in which the IRS reimbursement rate change is effective.

ARTICLE 6.11 CALL BACK PAY

Whenever an employee is ordered by the administrative head of his/her department, office or bureau, or his/her designee to return to duty following the termination of his/her work shift and departure from his/her work location, he/she shall receive minimum compensation equivalent to four (4) hours at his/her appropriate overtime rate. Call Back time contiguous to and continuing into a normal work shift will not be treated as Call Back for purposes of this Article, but will instead be compensated as hour for hour overtime.

ARTICLE 6.12 DISTURBANCE CALLS

The following provisions apply to the compensation for disturbance calls outside of normal duty hours for FLSA non-exempt employees.

- I. Employees in the following classes and pay grades shall be eligible for compensation under this Article: Senior Systems Analyst I and II, Codes 1597-1 and 1597-2; Fiscal Systems Specialist I and II, Codes 1555-1 and 1555-2; and Procurement Supervisor, Code 1852.

Whenever the above-listed employees are contacted while on off-duty status by the Department head or designee, to furnish information needed to maintain the

continuity of City business, without the necessity of having to report for duty personally, such employees shall receive a minimum of one hour of compensation, subject to the following limitations:

- a. Only the first disturbance call made in any one calendar day shall qualify for the minimum one hour of compensation described above. The time actually spent on such disturbance call will be considered hours worked for that workweek. Thereafter, compensation for all other qualifying disturbance calls totaling an aggregate of ten (10) minutes or more in that same calendar day shall be for actual time worked. Disturbance call compensation shall be used to offset any overtime owed.
 - b. Any employee receiving On-Call/Standby compensation for the same day shall not be eligible to receive compensation under this Article for that day;
 - c. The department head or designee may determine the method of compensation;
 - d. An employee contacted while off-duty concerning subsequent work scheduling shall not be eligible to receive compensation under this Article.
- II. Notwithstanding the above, operative on the effective date of the implementing ordinance, whenever all other FLSA non-exempt employees in classifications and pay grades not listed specifically in this Article are contacted while on off-duty status by the Department head or designee to furnish information needed to maintain the continuity of City business (as described above), without the necessity of having to report for duty personally, such employees shall receive compensation for actual time worked for said disturbance calls that total ten (10) minutes or more in the aggregate in the same calendar day, which shall be included as hours worked for that workweek.

The parties agree to reopen this Article during the term of this MOU to add classes, if necessary and desirable.

ARTICLE 6.13 ON-CALL/STANDBY COMPENSATION

All persons employed in the classes and pay grades of Senior Systems Analyst I and II, Codes 1597-1 and 1597-2; Fiscal Systems Specialist I and II, Codes 1555-1 and 1555-2; and Procurement Supervisor, Code 1852; and all Principle Public Relations Representatives, Code 1786 assigned to Los Angeles World Airports, who are designated by Management to be on standby during off-duty hours shall receive, in addition to any

other compensation provided for herein the sum of \$24.00 for each day of such assignment.

ARTICLE 6.14 TEMPORARY SUPERVISORY PAY

Section I

- a. Whenever Management assigns an employee to perform the full duties of a higher level supervisory position in situations where the incumbent of the higher level position is temporarily absent, such employee shall become eligible for additional compensation upon completion of a qualifying period of 15 consecutive working days in such assignment at his/her regular rate of compensation. Paid leave time taken during a qualifying period shall extend the 15-day qualifying period by the length of the absence. All other absences shall constitute a disqualifying break in the 15-day qualifying period requirement, necessitating the initiation and completion of a new qualifying period. Pay shall begin on the 16th day of the assignment.

Each temporary supervisory assignment shall require completion of a new qualifying period each fiscal year, except when such assignment is continuous and in the same work location.

- b. Whenever Management assigns an employee on a temporary basis to perform the full duties of a vacant higher level supervisory position, such employee shall become eligible for additional compensation on the first day of such assignment.

Section II

An employee qualifying for additional compensation as stated above shall receive salary at the second premium level (5.5%) above the appropriate biweekly rate for his/her class for each day on duty (present for 50% or more of the work day) in an acting assignment.

Section III

Management retains the right to determine whether a position is vacant or to be filled due to a temporary absence.

ARTICLE 6.15 CIVILIAN SUPERVISORY DIFFERENTIAL

In the Police and Fire Departments, members of this Unit shall be eligible for a supervisory differential, as a “bona fide supervisory employee,” in accordance with Section 4.62.2 of the Los Angeles Administrative Code (LAAC), when regularly assigned as a supervisor with full administrative and technical authority to assign, review and approve the work of civilian subordinates. The salaries of any sworn subordinates shall not be used in determining

eligibility for the supervision differential described in LAAC Section 4.62.2.

ARTICLE 6.16 SALARY STEP ADVANCEMENT

Upon adoption of this MOU, notwithstanding Los Angeles Administrative Code (LAAC) Section 4.92, subsections (a), (b), and (f) (1), the following salary step advancement procedures shall apply to all members of this Unit who are appointed or promoted on or after the effective date of this MOU to classifications that are compensated on a salary range basis.

FULL – TIME EMPLOYEES

A. The first Salary Step Advancement Following Initial Appointment or Promotion

The first salary step advancement for an employee in this Unit who has been initially appointed to City service or who has been appointed or assigned (through pay grade advancement) to a position on a higher salary range shall occur at the beginning of the payroll period following completion of 2080 regular paid hours or 12 months of service. This date shall become the employee's step advancement anniversary date, except under the circumstances in section C below.

B. Subsequent Step Advancement

Each subsequent step advancement shall occur at the beginning of the pay period following the completion of 2080 regular paid hours or 12 months of service, except under the circumstances in section C below, until the top step has been reached.

C. Extension of Step Advancement Date – Uncompensated Hours

Uncompensated absences of sixteen days (128 hours for employees on a work schedule other than 5/40) or less during the 2080-hours qualifying period and during each subsequent 2080 hours annual period shall not extend the step advancement date. The step advancement date shall be extended one working day for each working day absent (or one hour for each hour of aggregate uncompensated absence in excess of 128 hours). Employees who are injured on duty and are compensated in accordance with Division IV of the Labor Code of the State of California and Article 7 of Division 4 of the LAAC shall not have their advancement changed due to their workers' compensation status.

D. Consecutive Appointments within a 12 Month Period

Consecutive appointments or assignments to positions within the same top step salary rate in the 12 months (2080 hours) following an appointment or assignment shall be treated as one appointment or assignment for step advancement purposes.

E. Appointments to New Positions with the Same or Lower Salary Range

An employee who is appointed or assigned to a new position on the same or lower salary range shall retain the step advancement date established for the former position.

PART TIME EMPLOYEES

F. Civil Service Half-Time Employees

The initial salary step advancement for a half-time, but less than full time, employee in a position compensated on a salary range basis shall be in the payroll period following the compensation of 1040 regular paid hours or 12 months of service. Each subsequent step advancement shall be in the pay period following the completion of 1040 additional regular paid hours or completion of an additional 12 months of service. Hours of service in excess of those required for step advancement in a 12-month time period shall be carried forward for credit in the next 12-month period.

G. Intermittent Employees and Half-Time Employees Exempted from Civil Service

Intermittent employees and half-time employees exempted from Civil Service provisions by Charter Section 1001 shall be paid a salary rate corresponding to the entering step in the salary range for the classification in which the employee is employed. Full-time or half-time employees changing to intermittent status in the same Civil Service class shall continue to be paid at the same rate (excluding bonuses) they were last paid while a full-time employee until such time as the entering step in the salary range for the class meets or exceeds the salary for the employee.

ARTICLE 6.17 SCHEDULE CHANGES FOR PERSONAL BUSINESS

Management may allow any employee to modify his/her work schedule in any one workweek for personal business except for changes on the 9/80 day off or on the split day. Subject to the approval of Management, such time off shall either be made up in full in the same workweek, or charged against the employee's accrued and unused vacation credits on an hourly basis.

This Section shall not apply to salaried employees, as defined in Article 6.2.

ARTICLE 7.0 BENEFITS

ARTICLE 7.1 CIVILIAN MODIFIED FLEXIBLE BENEFITS PROGRAM

During the term of this MOU, the City will provide benefits in accordance with the Civilian Modified Flexible Benefits Program (hereinafter Flex Program) and any modifications

thereto as specified in this MOU or as recommended by the Joint Labor-Management Benefits Committee and approved by the City Council.

If there are any discrepancies between the benefits described herein and the Flex Program approved by the Joint Labor-Management Benefits Committee, this MOU will take precedence. Any disputes related to the application of the provision in Article 7.1 shall be referred to a Dispute Resolution Committee (DRC). Disputes presented to the DRC are limited to issues related to the new co-pays, employee contribution rates and elimination of Flex credits. The DRC will be composed of three parties; a representative of EAA, a representative of the City Administrative Office and a representative of the Personnel Department. The DRC decision is binding and any issue presented to, and ruled on by the DRC is not grievable or arbitrable. Disputes shall be submitted to a committee for resolution comprised of a representative of the Personnel Department, City Administrative Officer, and EAA.

Section I - Health Plans

The health plans offered and benefits provided by those plans shall be those approved by the Joint Labor Management Benefits Committee as modified by this MOU and administered by the Personnel Department, in accordance with Administrative Code Section 4.303.

Management has agreed to contribute a monthly sum not to exceed \$1060.54 per month, effective January 1, 2010, per full-time employee, towards the cost of a City-sponsored health plan for employees who are members of LACERS.

Effective January 1, 2010, for each half-time employee, as defined by Section 4.110 of the Los Angeles Administrative Code (LAAC) who becomes a member of LACERS after July 1, 1990, and for each employee who transfers from full-time to half-time status after July 1, 1990, Management agrees to contribute a monthly subsidy not to exceed \$429.04 per half-time employee.

Management will apply this subsidy first to the employee's coverage. Any remaining balance will be applied toward the coverage of the employee's dependents under the plan.

The parties agree that effective January 1, 2011 and for the remaining term of this MOU, full time employees who are members of this Unit shall contribute via payroll deduction a biweekly amount toward their health plan premium cost, as indicated in the following chart. The difference between the City's health plan premium cost and the employee contribution constitutes the City's contribution (health plan subsidy). The maximum City monthly subsidy shall not exceed \$1,115.52 which is the Kaiser HMO family coverage rate for 2011.

FULL-TIME EMPLOYEES - BIWEEKLY CONTRIBUTIONS

| Plan | Employee | Employee + Spouse/ DP | Employee + Child(ren) | Employee + Family |
|-----------------------|----------|-----------------------|-----------------------|-------------------|
| Anthem Blue Cross HMO | \$10.33 | \$22.70 | \$20.57 | \$35.38 |
| Anthem Blue Cross PPO | \$16.98 | \$229.83 | \$125.66 | \$335.71 |
| Kaiser HMO | \$10.73 | \$23.60 | \$21.45 | \$27.89 |

Effective January 1, 2011 the office visit co-pay in the HMO plans for employees covered by this MOU shall increase to twenty dollars (\$20). There shall be no co-pay for preventative care office visits. Federal Healthcare Reform legislation guidelines shall be utilized to determine what constitutes "preventative care". Effective January 1, 2011 the Flex Credit allowance of \$7.50 biweekly for full time employees covered by this MOU shall be eliminated.

Half-time employees who, prior to July 1, 1990, were receiving the same subsidy as full-time employees shall continue to receive the full-time employee subsidy and shall be subject to any adjustments applied to that subsidy as provided in this Section, as long as they do not have a break in service.

Full-time employees who work a temporary reduced schedule under the provisions of Article 7.8, Family and Medical Leave, shall continue to receive the full-time employee subsidy and shall be subject to any adjustments applied to that subsidy as provided in this Section.

The Joint Labor-Management Benefits Committee will review all rate changes and their impact on the Health Plans.

Section II - Dental Plans

The dental plans offered shall be those approved by the Joint Labor Management Benefits Committee and administered by the Personnel Department, in accordance with Administrative Code Section 4.303.

Management will expend for full-time employees in the classifications listed in this Unit, who are members of LACERS, the monthly sum necessary to cover the cost of employee-only coverage under the City-sponsored Dental Plan Program. Coverage for dependents of eligible employees may be obtained in a City-sponsored plan at the employee's expense, provided that such sufficient enrollment is maintained to continue to make such coverage available.

For each half-time employee, as defined by Section 4.110 of the LAAC, who becomes a member of LACERS and for each employee who transfers from full-time to half-time status

following July 1, 1990, Management will expend an amount equivalent to one-half of the cost of the employee-only coverage of the most expensive plan under the City-sponsored Dental Program. Half-time employees who, prior to July 1, 1990, were receiving the full employee-only subsidy shall continue to receive the full employee-only subsidy.

The Joint Labor-Management Benefits Committee will review all rate changes and their impact on the Dental Plans.

Association-Sponsored Dental Insurance

Employees may elect to be covered by one of the Association-sponsored dental insurance programs instead of by the City-sponsored dental insurance plan. The amount to be remitted for each employee covered by an Association sponsored plan shall be a maximum of \$49.84 monthly. Enrollment in the Association plans shall be available to all employees regardless of Association membership or affiliation. Employees may not receive a subsidy for more than one of the City-sponsored or Association-sponsored dental plans.

The parties mutually understand that the City will expend the above noted funds only for those employees who enroll in these plans and remain on active payroll status with the City, and that the City retains all rights to any unused funds which may be allocated for the purpose of implementing this Article/Section.

The parties mutually understand that the City will provide the subsidy to the separate EAA dental carriers an aggregate amount equal to the sum of the subsidy paid for those employees enrolled in the Association-sponsored programs who are on the payroll during each payroll period for which the subsidy is paid together with a list of those employees for whom the subsidy was paid during said payroll period. Remittance of this aggregate amount will be made within 30-working days after the conclusion of the payroll period in which the subsidy was paid.

For those employees enrolled in an Association-sponsored program, who authorized the City Controller to make a payroll deduction to cover any additional costs of said dental insurance plan, the City will remit to the carrier a separate amount and appropriate deduction list.

The parties further agree the City is not responsible for, nor expected to provide, any additional accounting, administrative, bookkeeping, clerical or other services except as provided for in the above paragraphs, and that the Association assumes all responsibility for any services which may arise out of the administration of the Association-sponsored programs.

The Association shall indemnify, defend and hold the City harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or result from any

action taken by the City for purposes of complying with this Section, or by failure of the Association or its dental insurance carrier to provide the coverage and services agreed to between the Association and the carrier.

Management will retain all duties and responsibilities it has had for the administration of the City's Dental Plan.

Section III - Definition of Dependents

The definition of a dependent for health and dental plan coverage shall include the domestic partner of an employee and the dependents of such domestic partner. Any employee claiming a domestic partner and/or the dependents of such domestic partner for purposes of this Section shall complete a confidential affidavit to be filed in the Employee Benefits Office, Personnel Department, which shall be signed by the City employee and the domestic partner, declaring the existence of a domestic partnership.

By extending to an employee the specific benefits defined by this Section, the City does not intend to confer or imply any other unspecified benefits to such employee, or to the employee's domestic partner, or to the dependents of such domestic partner.

Section IV - General Provisions

An open enrollment period of at least 30 days shall be declared by the Personnel Department. During this open period, employees may enroll themselves and, at their option, their dependents in the City-sponsored plan. Employees who fail to enroll during this open period will be ineligible to participate in a City-sponsored plan unless another open enrollment period is subsequently declared by the Personnel Department. However, employees may enroll in Association-sponsored programs in accordance with the procedures of those programs.

Management will retain all duties and responsibilities it has had for the administration of the City's Health and Dental Plans.

Section V - Subsidy During Family or Medical Leave

For an employee who is on Family or Medical Leave under the provisions of Article 7.8 herein, Management shall continue the City's medical and dental plan subsidies for employees who are enrolled in a City health and/or dental plan prior to the beginning of said leave. Employees shall be eligible for such continued subsidies while on a Family or Medical Leave in accordance with Article 7.8 herein. However, for any unpaid portion of Family or Medical Leave, health and/or dental plan subsidies shall be continued for a maximum of nine (9) pay periods.

ARTICLE 7.2 RETIREMENT BENEFITS

A. Benefits

Retirement benefits including the Beta Retirement Formula will be continued during the term of this MOU. Effective July 1, 2010 for employees hired prior to January 1, 1983, a flat rated contribution of six percent (6%) shall be implemented. For employees hired January 1, 1983 and thereafter, a flat-rated contribution of six percent (6%) shall be continued.

B. Procedure for Benefits Modifications

Proposals for major retirement benefit modifications will be negotiated in joint meetings with the certified employee organizations whose memberships will be directly affected. Agreements reached between Management and organizations whereby a majority of the members in LACERS are affected shall be recommended to the City Council by the City Administrative Officer as affecting the membership of all employees in LACERS. Such modifications need not be included in an MOU in order to be considered appropriately negotiated.

Proposals for minor benefit modifications and technical changes will be considered and reported on as appropriate, but not more than once a year, in a report from the City Administrative Officer to the City Council. Affected organizations shall be given the opportunity to review the proposed minor changes prior to the release of the report, and their views shall be included in the report.

If agreement is not reached between Management and the organizations representing a majority of the members in LACERS as to whether a particular proposal constitutes either a major or a minor modification, the proposal shall be treated as a major modification.

ARTICLE 7.3 SICK LEAVE BENEFITS

Every full-time employee shall be entitled to sick leave with pay as herein provided, if the employee is compelled to be absent from work due to any illness or injury other than that caused by or arising from the employee's own moral turpitude. Such sick leave shall be allowed as follows:

1. Employees must complete six consecutive months of service without being absent without pay for more than a total of ten working days before accruing sick leave. At the completion of the qualifying period, such employees shall accrue one additional day at the end of each subsequent month worked until January 1 following completion of the six-month period. Such accrual will be on the first day of the pay period in which the employee's anniversary date falls. Beginning January 1 following completion of the qualifying period, employees shall be allowed 12 working days'

leave at full pay and five working days at 75% of full pay, each calendar year, plus the days of sick leave accrued and accumulated as provided in this Section. Any unused balance of sick leave at 50% of full pay accrued prior to January 1, 1998 shall be compensated by cash payment at 25% of the employee's salary rate upon retirement or upon death if eligible to retire on the date of death.

2. Changes in the employee's rate of accrual resulting from a change in his/her bargaining unit shall be adjusted on the January 1 following such change.
3. Half-time employees, as defined by Section 4.110 of the Los Angeles Administrative Code, must complete a period of six consecutive months of service, and must have been compensated for at least 500 hours before qualifying for sick leave. Upon completion of the qualifying period, a half-time employee will be allowed leave prorated on the basis of the total number of hours scheduled in relationship to the total number of hours required for full-time employment.
4. Intermittent employees as defined by Section 4.110(b) of the Los Angeles Administrative Code shall not be entitled to accrue or use sick leave benefits. When a full-time or half-time employee becomes an intermittent employee, all accrued and accumulated sick leave for which he/she has been credited shall remain credited to the employee but frozen in the amount so accrued and accumulated without increase or decrease because of the change in work schedule. Such benefits may only be used if the employee becomes a half-time or full-time employee. An intermittent employee who becomes a full-time or half-time employee, who has not previously qualified for sick leave benefits as a full or half-time employee, shall be required to complete the six month qualifying period and to have been compensated for at least 500 hours in accordance with this Article.

No sick leave at partial pay shall be allowed any employee unless and until all sick leave with full pay to which the employee is entitled shall have been used.

All sick leave shall be taken in whole hour increments.

Payment for Unused Sick Leave

Any unused balance of sick leave at full pay at the end of any calendar year shall be carried over and accumulated from one calendar year to the next to a maximum of 100 working days, provided, however, that any sick leave at full pay remaining unused at the end of any calendar year, which, if added to an employee's accumulated sick leave at full pay will exceed 100 working days, shall, as soon as practicable after the end of each calendar year, be compensated for by cash payment of 50% of the salary rate current at the date of payment with the exception of calendar year 2010 for employees covered by this MOU.

Unused sick leave hours at full pay accumulate and remaining unused at the end of calendar year 2010, which if added to an employee's accumulated sick leave at full pay will exceed 100 working days, shall be converted to accrued compensatory time off hours at 50% of the value of the excess sick leave hours (at a ration of one hour of compensatory time off for two hours excess sick leave) as soon as practicable after January 1, 2011.

If an employee retires from the service of the City, or if an employee who is eligible to retire on or after July 1, 1996 dies prior to retirement, any balance of accumulated sick leave at full pay remaining unused at the date of retirement or death shall be compensated to the employee, or in the event of the death of the employee, to this/her legal beneficiaries, by cash payment at 50% of the employee's salary rate current at the date of retirement or death.

If an employee retires from the service of the City, or if an employee who is eligible to retire on or after January 1, 1997 dies prior to retirement, any balance of accumulated sick leave at 50% of full pay remaining unused at the date of retirement or death shall be compensated to the employee, or in the event of the death of the employee, to his/her legal beneficiaries, by cash payment at 25% of the employee's salary rate on the date of retirement or death.

The City Council may, by resolution, authorize cash payment to the legal beneficiaries of any City employee, who, on or after January 1, 1990, is killed during the performance of job-related duties, for the balance of the employee's accumulated full-pay sick leave at 100% of the employee's salary rate on the date of his/her death.

In no instance shall an employee or his/her beneficiaries be compensated more than once for accumulated full pay sick leave or any 50% sick leave upon retirement or death.

Any unused balance of sick leave at 75% of full pay at the end of any calendar year shall be carried over and accumulated from one calendar year to the next to a maximum of 100 working days at 75% pay. All accrued sick leave at partial pay in excess of such maximum amounts shall be deemed waived and lost.

SHARED SACRIFICE – WORK HOUR REDUCTIONS

In order to meet the economic challenges of Fiscal Year 2010-11, the Mayor proposed, and the City Council adopted a City Budget which would require 26 furlough days for all EAA represented employees whose salaries and benefits are paid in whole or in part by the City's General Fund. As an alternative to that adopted City 2010-11 Furlough Plan, EAA-IUPA Local 8000 has agreed to a number of cost-savings measures, and further agrees to the following work hour reduction measures for the term of this MOU:

Unpaid Floating Holidays

EAA-represented employees whose salaries and benefits are paid in whole or in part from the City's General Fund shall take ten Unpaid Floating Holidays (UPH) equivalent to eighty (80) unpaid hours during fiscal year 2010-11. The ten UPHs may be scheduled at the discretion of the employee, subject to Management approval, throughout the fiscal year but must be taken prior to June 3, 2011.

Per the adopted City 2010-11 Furlough Plan, the following EAA-represented employees are exempt from furlough days, and therefore from Unpaid Floating Holidays, during the term of this MOU: 1.) Special Funded (100% funded) employees; 2.) Proprietary Department funded employees; 3.) employees of the Zoo, Convention Center, Recreation and Parks, El Pueblo, Public Works Bureau of Sanitation, Public Works Bureau of Street Lighting, Community Development, Housing, Los Angeles World Airports, Port of Los Angeles, Library, LACERS, and Fire and Police Pensions; and 4.) Intermittent employees.

72-Hour Work Schedule

During fiscal year 2010-11, for each EAA-represented employees whose salary and benefits are paid in whole or in part from the City's General Fund who voluntarily reduces his or her biweekly regular work hours pursuant to Article 5.3, those reduced hours which exceed the eighty (80) hours accrued through the Unpaid Floating Holidays shall be credited toward the "voluntary furlough" cost savings goal of \$300,000 as established by EAA and the City.

Wage Parity

Management and the Engineers and Architects Association-IUPA Local 8000 (EAA) mutually acknowledge that due to the short duration of these Memoranda of Understanding, and due to the fiscal constraints of the City's adopted fiscal year 2010-11 Budget, it will not be possible to address the "Wage Disparity with DWP" issue during the term of this MOU. However, both Parties mutually agree, if financially feasible, to explore and discuss Wage Parity beginning no later than March 1, 2011, including but not limited to the possible addition of a salary step 6 as part of successor MOU negotiations for the period commencing July 1, 2011.

ACKNOWLEDGMENT OF SHARED SACRIFICE

In order to meet the economic challenges of fiscal Year 2010-11 and maintain critical City services for all communities in Los Angeles, the Mayor and City Council have promulgated a policy of shared sacrifice, asking the City's labor partners to fully engage in confronting a looming Budget shortfall. The Mayor and City Council are committed to ensuring that all City employees share in the collective sacrifice during this time and that all City entities participate equitably.

Throughout the negotiations for this 2010-11 MOU, the Engineers and Architects Association (EAA) – IUPA Local 8000 has demonstrated its commitment to the long term sustainability of the city workforce and to the services its members provide. The City acknowledges the sacrifice and initiative taken by EAA, and is committed to ensuring that EAA members are treated equitably during the term of this MOU. Therefore, if the City authorizes a general compensation increase during Fiscal Year 2010-11 for any City bargaining unit (exclusive of DWP and not previously contractually committed) subsequent to the effective date of this MOU, such general compensation increase shall also be provided to EAA-represented employees.

Administrative Unit (MOU 20)

CITY CIVILIAN HEALTH CARE BENEFITS PROGRAM

Management and the Engineers and Architects Association (EAA) mutually acknowledge the accelerating costs of healthcare premiums and the challenge that those accelerating costs pose to the sustainability of this high quality benefit. EAA acknowledges that Management has set a target employee contribution rate of 10% of the actual healthcare premium cost, and a 50/50 sharing of future healthcare premium cost increases as the means through which (1) the quality of this benefit can be maintained; (2) the sustainability of this benefit can be ensured; (3) future general salary adjustments can be enabled; and (4) future healthcare premium rebates may be enabled for employees who enroll in wellness programs and/or similar health improvement programs. EAA further acknowledges that an increase in employee contributions to healthcare premiums, above the 5% agreed to as part of this MOU, shall be included in the negotiations for successor MOU's which will begin in Spring, 2011.

LETTER OF INTENT

Administrative Unit (MOU 20)

LACERS AND RETIREE HEALTH BENEFITS

Management and the Engineers and Architects Association (EAA) mutually acknowledge the dramatic increase in the cost of the LACERS pension program, and that the retiree healthcare benefit is one of the driving forces behind the increased costs. EAA acknowledges that Management has set a target employee contribution rate of 9% for active employees, and that Management is (1) actively exploring creation of a LACERS “Tier 2” pension program for new hires; and (2) preparing a proposal which would require that current retirees contribute financially to reducing the cost of their healthcare benefit. EAA acknowledges that an increase in active employees’ LACERS contributions will be proposed by Management as part of the successor MOU negotiations which will begin in Spring, 2011. EAA has no categorical opposition to an increase in active employee contribution rates, and acknowledges that this is an issue to be bargained. EAA, which does not represent retired City employees, does not object to retirees contributing financially to reduce the cost of their healthcare benefit to LACERS.

LETTER OF INTENT

Administrative Unit (MOU 20)

As part of the 2010-11 MOU, the Parties agree to re-open negotiations regarding only the following matter; all other provisions of the applicable MOU shall remain in place.

- Parties agree to pursue, in cooperation with the Department of Recreation and Parks, establishment of an appropriate annual uniform allowance and biweekly uniform maintenance and cleaning allowance which shall be memorialized in Article 4.6 – 1. Recreation and Parks – for the class titles and pay grades listed therein. The parties agree to actively work toward an implementation target date of no later than November 19, 2010 for the incorporation of these allowances into this MOU.
