RE: City of Los Angeles
Responsible Banking Investment Monitoring Program
For Investment Banking

Dear Judith,

Raymond James is dedicated to an inclusive and diverse environment where differences are understood respected and valued. As the Vice President of Procurement for Raymond James, I have the responsibility to ensure that the Firm's values with regard to diversity are extended to our suppliers as well. In 2012, we established a Supplier Diversity Program that actively encouraged minority, disabled and women owned businesses to become suppliers to Raymond James. In subsequent years we continue to steadily build upon this program. We are currently in the planning phases of enhancing our systems to help us measure the Firm's spending with minority, disabled and woman owned businesses so that we can track our progress toward the Firm's spending goals for these businesses. We look forward to updating you with our progress toward our diversity spending goals in future years.

Sincerely,

Larry Martiny
Vice President, Procurement
