Subject: **FISCAL YEAR 2025-26 THIRD QUARTERLY STATUS REPORT – CITYWIDE LEASING ACCOUNT**

RECOMMENDATION

Note and file this report.

SUMMARY

The Third Quarterly Leasing Status report provides an update and overview of the Citywide Leasing Account, which includes unfunded leasing liabilities projected through the end of Fiscal Year (FY) 2025-26 approved by the Municipal Facilities Committee (MFC), and the use of unexpended balance funds to address these liabilities. As presented in the Discussion section of this report, there is a projected year-end unexpended balance of \$2.4 million for the FY 2025-26 Leasing Account. The \$2.4 million will be reappropriated to cover an anticipated budget reduction to the FY 2026-27 General Fund Leasing Account.

DISCUSSION

1. FY 2025-26 General Fund Leasing Account

Table 1: General Fund Leasing Account Budget for Municipal Facilities

The FY 2025-26 Adopted Budget provides \$34.1 million for the Leasing Account, and an additional reappropriation from prior unencumbered funds in the amount of \$3.1 million for a total of \$37.2 million. Less transfers out to date of (\$1.6 million) would result in a total revised budget of \$35.6 million as summarized in Table 1. Based on the FY 2025-26 projected expenses of (\$33.2 million) detailed in Attachment A, the year-end unexpended balance will be \$2.4 million.

Table 2: Total Lease Unexpended Balance and Shortfall

Attachment A details each individual lease costs through the end of FY 2025-26 that is projected to have an unexpended balance (Attachment A – Lines A1, A3-A22) or shortfall (Attachment A – Lines A24-A31) and is summarized in Table 2 below. It should be noted, Attachment A – Line A23 reflects the cumulative total for all remaining unchanged budgeted leases without shortfalls or unexpended balances. Additionally, Attachment A – Line A2 reflects the transfers included in the FY 2025-26 Second Quarterly Leasing Status Report for the Garland relocation project and the Seventh Street Yard security services cost, as well as the transfers included in the FY 2025-26 Second Financial Status Report and South Traffic Division report for the Los Angeles Police Department’s (LAPD) overspending.

\$3,304,739	(\$858,485)	\$2,446,254

a. Projected Leasing Unexpended Balances

The FY 2025-26 total of all leases with a projected unexpended balance is \$3.3 million. Significant unexpended balances that are projected to be over \$250,000 are summarized below and detailed in Attachment A:

- **\$1.5 million – Garland relocation project:** The Garland relocation project reflects an unexpended balance due to reduced lease cost and contract cost (Attachment A – Line A3).
- **\$588,040 – Bureau of Street Lighting (BSL) Yard Lease:** The BSL lease at 16714 Schoenborn Street is no longer available for leased space as a proposed second BSL yard (Attachment A – Line A4).
- **\$534,555 – Industrious Office Lease for Various Departments:** The interim office lease at 444 South Flower Street reflects an unexpended balance due to an increased rent contribution from the Los Angeles Housing Department (LAHD) Special Fund monies as a result of LAHD occupying more space as approved by the Council in April 2025 (Attachment A – Line A5).

- \$448,829 – Port of Los Angeles Fire Stations Leases: The leases for fire stations at the Port of Los Angeles reflects reduced annual rental costs due to delay in execution of leases (Attachment A – Line A6).
- \$327,600 – Council District (CD) 5 Field Office Lease: The CD 5 lease at 5416 Wilshire Boulevard reflects an unexpended balance due to a delayed move-in as a result of the Palisades fire emergency (Attachment A – Line A7).
- \$326,997 – Bureau of Street Services (BSS) Recycled Asphalt Plant Lease: The BSS lease at 4221 Bandini Boulevard reflects an unexpended balance due to one month of delayed move-in and two months of rent abatement (Attachment A – Line A8).
- \$303,332 – Parking License for Industrious Office Staff: The parking license at 350 South Figueroa Street reflects an unexpended balance due to delayed start date (Attachment A – Line A9).

b. Projected Leasing Shortfalls

The FY 2025-26 total of all leases with a projected shortfall is (\$858,485) due to higher rent and operating costs. Significant shortfalls that are projected to be over \$250,000 are summarized below and detailed in Attachment A:

- (\$406,641) – Bureau of Sanitation (LASAN) Livability Services Division Lease: The LASAN lease at 450, 500, and 590 South Central Avenue reflects a shortfall due to increased operating costs and a retroactive Common Area Maintenance cost (Attachment A – Line A24).

c. Revisions Since the Second Quarterly Status Report

There is now a year-end projected unexpended balance of \$2.4 million compared to the \$2.9 million reported in the FY 2025-26 Second Quarterly Leasing Status Report. The unexpended balance will be reappropriated at the end of the FY 2025-26 to cover an anticipated budget reduction to the Leasing Account in FY 2026-27.
