Subject: **TECHNICAL CORRECTION FOR THE 2023-2028 MEMORANDUM OF UNDERSTANDING FOR THE BUILDING TRADES RANK AND FILE REPRESENTATION UNIT (MOU 02) (C.F. [24-0427](#))**

On September 29, 2025, the Employee Relations Board (ERB) approved the accretion of the Communications Electrician Assistant (Class Code 3688) and Communications Electrician Trainee (Class Code 3682) classifications into the Building Trades Rank and File Representation Unit (MOU 02). These two classifications were created as part of the Bridge to Jobs Program, which provides alternative pathways into City civil service positions. As part of the Bridge to Jobs Program, the temporary “trainee” and the transitional “Assistant” classifications receive the same flat-rated bi-weekly salary as the targeted civil service classification of Communications Electrician to streamline the transition from one classification to the next, in accordance with Charter Section 1014.

In accordance with Article 1.9 (Inclusion of New Classes) of the 2023-2028 MOU 02 between the City of Los Angeles and the Los Angeles/Orange Counties Building and Construction Trades Council, AFL-CIO, the following corrections shall be made to the salary appendices of MOU 02, adding the newly accreted classifications:
