

STREET AND TRANSPORTATION PROJECTS OVERSIGHT COMMITTEE

MEETING MINUTES – June 4, 2026
2:00 PM

Committee Members Present

Jacob Wexler, Office of the City Administrative Officer (CAO), Chair
Matias Farfan, Office of the Chief Legislative Analyst (CLA)
Geoff Thompson, Office of the Mayor (Mayor)

Committee Staff Present

Daisy Bonilla, CAO
Maria Souza-Rountree, CLA

The meeting was called to order at 2:01 p.m.

PUBLIC COMMENTS: General Public Comment, Multiple Agenda Item Comment

NEIGHBORHOOD COUNCIL COMMENTS: Discussion with Neighborhood Council representative on Neighborhood Council Resolutions or Community Impact Statements filed with the City Clerk which relate to any agenda item listed or being considered on this agenda.

AGENDA ITEMS:

1. Minutes of the December 4, 2025 and April 1, 2026 meeting. – Action by Committee

DISPOSITION: Approved.

2. Verbal Reports from Public Works Bureau of Engineering, Bureau of Street Services, Bureau of Street Lighting and the Department of Transportation on the 2026-27 City Budget appropriations within the Capital Technology Improvement Expenditure Program Physical Plant. – Note and File

Representatives from the Department of Public Works Bureau of Engineering (BOE), Bureau of Street Services (BSS), and Department of Transportation (DOT) discussed their respective 2026-27 CTIEP allocations. The Bureau of Street Lighting (BSL) received no CTIEP funding because an upcoming assessment ballot vote is expected to fully fund its work plan. The Fiscal Year 2026-27 CTIEP Physical Plant schedule includes three water quality projects and 45 street projects in the public right-of-way, totaling \$168,817,947 across various Special Funds. Additionally, the bureaus and department discussed active projects requiring funding in the upcoming fiscal year.

DISPOSITION: The Committee noted and filed the report.

3. Written report from BOE on the status of the Los Angeles Riverway San Fernando Valley Completion Project (Segments 1 and 2). – Note and File

Marcelino Ascencio from BOE provided a presentation on the written status update for the project. The estimated cost of the project was \$95,373,658. Additional funding had been secured, including a \$10 million award from Metro's Active Transportation (MAT) Cycle 2, a \$3 million grant from the Santa Monica Mountains Conservancy via Proposition 68, and an additional \$10 million allocation in the 2026–27 CTIEP budget. BOE planned to award the project contract in July 2026, with construction scheduled to begin in August and reach completion by fall 2029.

DISPOSITION: The Committee noted and filed the report.

4. Written report from BOE on the 2026-27 staffing resources required for the Glendale-Hyperion Complex of Bridges Project. – Action by Committee

Andrew Asfour from BOE presented a written report requesting the continuation of five off-budget positions in 2026-27 to support the construction of the Glendale Hyperion Complex of Bridges Project. These positions were previously approved by the Committee, Council, and Mayor for 2025-26 (C.F. 05-0173-S2). Although the project was grant-funded, it received \$67.4 million in MICLA financing as part of the 2026-27 CTIEP budget to provide cash flow while the City awaits federal grant reimbursement.

DISPOSITION: Approved.

5. Joint verbal report from the Department of Public Works and the Department of Transportation on the status of the Three Active Transportation Cycle 6 Projects. – Note and File

Al Bazzi (BSS) and Carlos Rios (DOT) provided a verbal update on the status of the three Active Transportation Program (ATP) Cycle 6 projects in CD 14 and 15. BSS, DOT, and the Mayor's Office met with California Transportation Commission (CTC) staff to request project extensions, as previously described to this committee at the April 1, 2026 Special Meeting. While no decision was made during that meeting, the City was directed to submit its extension requests for the upcoming CTC meeting on June 25–26, 2026. Once a final decision has been reached, BSS will report back to STPOC and other stakeholders to determine next steps.

DISPOSITION: The Committee noted and filed the report.

6. Next Meeting Dates: The quarterly meetings will be held on December 3, 2026, March 4, 2027, and June 3, 2027. – Discussion

Adjournment: Meeting adjourned at 3:02 p.m.
