

**REPORT FROM**

**OFFICE OF THE CITY ADMINISTRATIVE OFFICER**

---

Date: August 1, 2024

CAO File No.  
0220-06083-0028  
Council File No. 22-1545  
Council District: All Districts

To: The City Council

From: Matthew W. Szabo, City Administrative Officer

Reference: Homelessness Emergency Account

Subject: **HOMELESSNESS EMERGENCY ACCOUNT - GENERAL CITY  
PURPOSES FUND SEVENTEENTH STATUS REPORT (C.F 22-1545)  
AS OF SUNDAY, JUNE 30, 2024 AND FUNDING RECOMMENDATIONS**

---

**SUMMARY**

On January 18, 2023, the City Council and Mayor approved the motion (C.F. 23-0033) to establish the Homelessness Emergency Account (HEA) to address the City's homelessness crisis. As part of the FY 2023-24 budget, approved funding for the Inside Safe Program was divided into two separate accounts: the HEA and the Inside Safe Reserve Account. Regular reporting is required to authorize spending from the HEA and expanded reporting requirements, as approved during the FY 2024-25 budget, is necessary to transfer funds from the Inside Safe Reserve Account to the HEA. This is the seventeenth status report and second report under the new report format.

This report requests a transfer of \$9,577,380.27 from the Inside Safe Reserve Account to the HEA to ensure that there is available funding in the HEA to reimburse and continue contractual obligations (i.e. occupancy agreement motels, services to occupants, etc.). Due to the timing of the reappropriation of, which is completed by the Controller's Office and is anticipated to take six to eight weeks to complete, this is requested from the FY 2024-25 Inside Safe Reserve Fund account appropriation. Of this total, \$140,347.59 is budgeted for in the FY 2023-24 funding allocation: \$122,413.20 for projected FY 2023-24 costs of newly executed occupancy agreements and \$17,934.39 for FY 2023-24 Police Department's (LAPD) overtime costs associated with Inside Safe encampment operations. The remaining \$9,437,032.68, earmarked against the FY 2024-25 allocation, is to support projected FY 2024-25 costs of new occupancy agreements (\$8,522,062.30), funding for an insurance claims adjuster for facility expenses (\$150,000), projected FY 2024-25 damage expenses (\$100,000), reimbursement to CAO Risk Management for the Mayfair Hotel's Property Insurance policy (\$82,795.38), and a 25% advance for a congregate shelter site in Council District 14 (\$582,175). This report also recommends the appropriation of County

reimbursement funds for joint Inside Safe operations in the amount of \$926,409.37 to the Inside Safe Reserve.

## RECOMMENDATION

That the City Council, subject to approval by the Mayor:

1. APPROVE and APPROPRIATE \$9,577,380.27 from Fund No. 100/56, Account No. 000A15, Inside Safe Reserve to the General City Purposes (GCP) Fund No. 100/56, Account No. 000959, Homelessness Emergency Account for the following with additional details in the section "Transfers from the Inside Safe Reserve Account" under "Table 1. FY 2024-25 Funding Request (17th Status Report)":
  - a. \$8,644,475.50 for costs associated with new occupancy agreements as follows:
    - i. Up to \$122,413.20 for FY 2023-24 costs;
    - ii. Up to \$8,522,062.30 for FY 2024-25 costs;
  - b. \$150,000.00 for an insurance claims adjuster for facility expenses;
  - c. \$100,000.00 for FY 2024-25 facility expenses and damages;
  - d. \$82,795.38 to reimburse CAO Risk Management for the Mayfair Hotel's Property Insurance policy;
  - e. \$17,934.39 for FY 2023-24 LAPD Overtime costs associated with Inside Safe encampment operations from April 2024 through June 2024;
  - f. \$582,175.00 for a 25% advance for a congregate shelter site in Council District 14 with 58 beds;
2. AUTHORIZE the Controller to deposit up to \$1,860,000 to GCP Fund No. 100/56, Account No. 000A15, Inside Safe Reserve from the reimbursement of Inside Safe operations costs from the Los Angeles County;
  - a. Upon receipt of the County reimbursement, increase the appropriation in the up to amount of \$1,860,000 to General City Purposes Fund No. 100/56, Account No. 000A15, Inside Safe Reserve;
3. APPROPRIATE \$926,409.37 from the Mayor Fund No. 100/46, RSRC 4339, Miscellaneous Gov't Services to GCP Fund No. 100/56, Account No. 000A15, Inside Safe Reserve for the reimbursement of Inside Safe operations costs from the Los Angeles County;
4. APPROVE a new Inside Safe interim housing congregate bed rate of \$110.00, which will also include services.
5. APPROVE an up to amount of \$2,328,700 of GCP Homelessness Emergency Account funds for 58 beds at the congregate shelter site in Council District 14

through June 30, 2025;

6. INSTRUCT and AUTHORIZE the General Manager of LAHD, or their designee, to execute a new, or amend the existing City's General Fund contract (C-140706), with LAHSA to:
  - a. Reflect the service funding in this report for:
    - i. Congregate shelter site with 58 beds located in Council District 14 with an associated up to contract amount of \$2,328,700;
7. AUTHORIZE the CAO to:
  - a. Prepare Controller instructions or make necessary technical adjustments, including to the names of the Special Fund accounts recommended for this report, to implement the intent of these transactions, and authorize the Controller to implement these instructions; and
  - b. Prepare any additional Controller instructions to reimburse City Departments for their accrued labor, material or permit costs related to projects in this report, to implement the intent of these transactions, and authorize the Controller to implement these instructions.

## **BACKGROUND**

On January 18, 2023, the City Council and Mayor approved the motion (C.F. 23-0033) to establish the Homelessness Emergency Account (HEA) to address the City's homelessness crisis and approved the transfer of \$23,462,698.25 from the COVID-19 Emergency Response account and \$26,537,301.75 from the Additional Homeless Services - General City Purposes account for a total of \$50,000,000. The City Council and Mayor also authorized the City Administrative Officer to spend the funds as directed by the Mayor, and to provide reports to Council on the expenses incurred and purposes for which the funds were used.

During the annual budget process for FY 2023-24, the Council and Mayor approved a \$1.3 billion budget for homeless-related expenditures, of which \$250 million in funding was allocated to continue implementation of the Inside Safe Initiative. An initial allocation of \$65.7 million was appropriated at the beginning of the fiscal year to the HEA with the remaining balance appropriated to the Inside Safe Reserve Fund account. If the available uncommitted balance in the HEA dropped below \$25 million during the fiscal year, the CAO was instructed to provide a memo to the Mayor, Council, and Controller requesting the Controller to effectuate a transfer within 10 calendar days of receipt. A transfer of \$25 million from the Inside Safe Reserve Fund account would be completed until the \$184.3 million had been allocated to the HEA. The Council could change this transfer instruction with a majority vote, subject to the Mayor's veto. Regular reporting was required to continue the automatic transfer of funds from the Inside Safe Reserve Fund account for FY 2023-24.

On January 25, 2024, a motion (Blumenfield/Raman, Krekorian/Rodriguez) was approved by Council and Mayor to amend the budget instructions to direct that the City Administrative Officer (CAO) to provide written notification to the Mayor, Council and Controller any time the balance of the Homelessness Emergency Account was anticipated to be reduced to below \$25 million. The CAO would provide notice 14 days prior to the request to the Controller to effectuate the transfer. The Council was able to change this transfer instruction with a simple majority vote, subject to the Mayor's veto. Three such transfers were completed in FY 2023-24.

During the annual budget process for FY 2024-25, the Council and Mayor approved \$80 million in new funding to the Inside Safe Reserve Fund account and the reappropriation of unencumbered balance remaining in the HEA and Inside Safe Reserve Fund account to continue implementation of the Inside Safe Initiative. As of June 30, 2024, the expected reappropriation of FY 2023-24 funding is \$3.2 million in the HEA and \$109.3 million in the Inside Safe Reserve for a total of \$112.5 million. The City Council and Mayor also authorized the City Administrative Officer to spend the funds as directed by the Mayor, pursuant to monthly expenditure reports and funding allocations to be approved by Council. This new report format is to be inclusive of the requested data from the adopted budget instructions. The FY 2024-25 controlling fund language replaces the language in the 2023-24 Adopted Budget and its related amendment.

## **DISCUSSION**

The total available funding for the Mayor's Office of Housing and Homelessness Solutions (MOHHS) to address the homelessness emergency and continue the implementation of Inside Safe for FY 2023-24 was \$315,381,054. This included \$250 million from the FY 2023-24 adopted budget, \$22,501,784 from FY 2022-23 reappropriated funding, and \$42,879,270 in loan reimbursements received for the acquisition of the Mayfair Hotel. Of this available funding, there is \$314,927,289 obligated for existing commitments, with \$453,765 remaining that has not been earmarked. Attachment 2 provides details of these obligations as well as summaries of budgeted categories for the \$250 million approved in the FY 2023-24 budget, interim budget increases, incurred and projected costs through June 30, 2024, future year cost options such as those related to the invoice management platform, and budget breakdown for the FY 2024-25 budget. From July 1, 2023, through June 30, 2024, a total of \$183,117,158 has been expended: \$168,956,681 for FY 2023-24 costs, \$5,067,000 for FY 2024-25 costs, and \$9,093,477 for prior fiscal year costs. The reappropriation of current FY 2023-24 funding is \$3,183,618 in the Homelessness Emergency Account and \$109,300,000 in the Inside Safe Reserve, for a total of \$112,483,618.

The annual reappropriation process for the estimated \$112,483,618 is anticipated to

take six to eight weeks to complete. For the General Fund, if funds are not spent or encumbered within the fiscal year in which they are appropriated, they are subject to reversion to the Reserve Fund. In the reappropriation process, the uncommitted balance in the HEA and the Inside Safe Reserve will revert to the Reserve Fund and then be reappropriated to their respective accounts, allowing the rollover of the initial appropriation into the new fiscal year.

The paid FY 2023-24 costs primarily fall within three budget categories: Acquisition, Interim Housing, and Service Provider Support Services. The Acquisition expenses of \$78,984,170 are associated with Project Homekey 3.0 Matching Funds (\$20,471,800) and the Mayfair Hotel's capital costs related to acquisition, renovation, and operation (\$58,512,370). Of this amount for the Mayfair Hotel, \$42,879,270 was in cash flow loans which have been fully reimbursed to the HEA. The Interim Housing expenses of \$53,324,490 consist of hotel and motel invoices encompassing 53 hotels and LA Grand lease costs inclusive of approximately 1,885 rooms that serve as interim housing for Inside Safe participants. In addition, Service Provider Support Services costs (\$23,232,594) encompasses case management, resident monitoring, food, storage, and administration to clients within nightly hotels, the LA Grand and the Mayfair Hotel. Attachment 1 provides a summary of actual balances through June 30, 2024, for the Homelessness Emergency Account.

In January 2023, the Mayor's Office approved an initial contract amount for the Los Angeles Homeless Services Authority (LAHSA) in an up-to amount of \$50 million. This initial up-to contract amount allowed the flexibility for funding to be quickly added for service providers as operations were planned and budgets were approved by the Mayor's Office. Extensions and additional funding for LAHSA and service providers were approved for services through June 30, 2024. An initial up-to contract amount of \$76,940,927 for FY 2024-25 was requested in the last report and approved by Council.

### **Transfers from the Inside Safe Reserve Account**

As previously reported, there were three transfers completed from the Inside Safe Reserve Fund to the HEA in FY 2023-24. Due to the new controlling fund language for FY 2024-25, the CAO is no longer able to recommend any further transfers under the previously approved guidelines without Council approval first. In adherence with the FY 2024-25 budget instructions, Council and Mayor approved a transfer of \$55,841,145.04 from the Inside Safe Reserve Account to the HEA (Sixteenth HEA Status Report; C.F. 22-1545-S19), which is pending completion in the City's Financial Management System (FMS).

This report requests a transfer of \$9,577,380.27 from the Inside Safe Reserve Fund as detailed below in Table 1.

<b>Table 1. FY 2024-25 Funding Request (17th Status Report)</b>		
<b>BUDGET CATEGORY</b>	<b>EARMARKED / OBLIGATED AGAINST (FY)</b>	<b>Funding Request</b>
<b>FY 2024-25 Liabilities/Expenses</b>		
<b>Interim Housing</b>		
New Occupancy Agreements <sup>1</sup>	FY 2024-25	\$8,522,062.30
Insurance Adjuster (Facility Expenses)	FY 2024-25	\$150,000.00
2024-25 Facility Expenses (Damages)	FY 2024-25	\$100,000.00
	<i>Subtotal</i>	<i>\$8,772,062.30</i>
<b>Services</b>		
Mayfair Hotel - Insurance Policy	FY 2024-25	\$82,795.38
CD 14 Congregate Shelter - Weingart - 25% Advance	FY 2024-25	\$582,175.00
	<i>Subtotal</i>	<i>\$664,970.38</i>
<b>FY 2024-25 Subtotal</b>		<b>\$9,437,032.68</b>
<b>FY 2023-24 Liabilities/Expenses</b>		
<b>Interim Housing</b>

	<i>Subtotal</i>	<i>\$122,413.20</i>
<b>Staffing</b>		
2023-24 LAPD Overtime (April-June 2024)	FY 2023-24	\$17,934.39
	<i>Subtotal</i>	<i>\$17,934.39</i>
<b>FY 2023-24 Subtotal</b>		<b>\$140,347.59</b>
<b>Total Funding Request</b>		<b>\$9,577,380.27</b>

### Inside Safe - Program, Encampment Resolution, and Metrics

On December 21, 2022, the Mayor issued Executive Directive No. 2, launching the Inside Safe Initiative with the aim of rapidly moving people living in encampments indoors and connecting them with services and housing. The Mayor's Office works with different departments during each Inside Safe operation, depending on the needs of the

particular encampment including, but not limited to: Department of Sanitation (LASAN), Transportation (LADOT), the Police Department (LAPD), and Animal Services. The Mayor's Office Inside Safe Field Intervention Team (FIT) provides community engagement through virtual town hall-style meetings, connects with service providers, and after an operation, monitors the original location for repopulation and engages with Inside Safe participants.

The Mayor's Office reports (Attachment 5) that a variety of reasons can affect Inside Safe operations such as council district priorities, voluntary participation, encampment-specific needs (e.g., RVs, number of residents, size of encampment, safety/hazard issues, multiple jurisdictions), availability of interim housing, and service provider capacity. Since January 2024, FIT has assessed all 76 encampment priorities submitted by Council Offices. Based on these submissions, the Mayor's Office still anticipates conducting 9-12 new encampment resolution operations and serving approximately 1,600 people experiencing homelessness during the first quarter of FY 2024-25.

Regular reporting on the outcomes achieved through the use of funds related to housing individuals is required and is included in this report. The Los Angeles Homeless Services Authority (LAHSA) has developed a data module within the Homelessness Management Information System (HMIS) to track key metrics for Inside Safe. Attachment 4 includes a one-page summary of Inside Safe outcomes as of June 30, 2024, prepared by LAHSA as well as additional breakdowns of the participant status by Council Districts and other pertinent metrics. Since the beginning of the program, a total of 56 Inside Safe operations were completed and 2,870 individuals voluntarily accepted to move into interim housing and connect to services. This number includes all occupants residing at the LA Grand and operations that have been carried out to address repopulation of encampments. The current housing retention rate of the program is estimated to be 69 percent. These numbers may change as LAHSA continues to work on further reconciling service provider data with HMIS entries to resolve duplicate placements and other discrepancies as well as refining the Inside Safe data module.

The Mayor's Office reports that during the reporting period from June 1, 2024, to June 30, 2024, four Inside Safe operations were completed, the number of Inside Safe participants is 2,870 and the number of Inside Safe participants who transitioned from interim to permanent housing solutions since the beginning of the program is 609. This reflects an increase of 103 and 70, respectively, since the last report. The Mayor's Office also reports that as of June 30, 2024, they have held 17 town hall-style meetings to provide local neighbors, stakeholders and businesses with information and support around encampments. Attachment 5 provides additional information.

## **Inside Safe Motel/Hotel Invoicing and Contracting**

As of June 30, 2024, the motel invoices received to date include 2,071 invoices from 54 total individual hotels, totaling 371,470 hotel room nights since the beginning of the program. The current number of interim housing hotel rooms available based on invoices received for booking agreements and occupancy agreements through June 30, 2024, is 1,208 rooms, which is inclusive of rooms for service providers' offices and security. It does not account for two or more occupants sharing a room. A total of ten hotels have been demobilized and are no longer in use since the beginning of the program. There are currently 1,983 hotel interim housing rooms located at hotels, inclusive of the 481 rooms in the LA Grand and 294 rooms in the Mayfair Hotel. Per LAHSA, there are currently 1,226 people residing in hotels (Attachment 4), which includes LA Grand occupants. The total amount billed for nightly room stays since July 1, 2023, through the cut off date of this report, is \$37,115,585, with an average nightly rate of \$118.41, with the exception for the LA Grand, which has a nightly rate of \$125 plus \$29 per person for meals (total \$154 for single occupancy and \$183 for double occupancy, inclusive of food costs).

The invoice process for motels (excluding LA Grand, which is managed by the General Services Department) involves sites submitting invoices to the CAO's Office for review by both service providers and CAO staff. Once the review is complete, the CAO submits the invoice to the Mayor's Office for payment approval and subsequently to the City Clerk for payment processing. If payments exceed a certain amount, the City Attorney's Office will review as well; however, this step is not necessary if there is a booking agreement or occupancy agreement (i.e. contract) with the hotel location. Once an agreement is executed with a hotel owner, payment processing is completed quicker than when an agreement is not in place. The Mayor's Office and the General Services Department (GSD) are the leads for executing agreements and exercising options to extend with the City Clerk's Office completing the entries into the City's Financial Management System (FMS). Finally, the Controller's Office remits payment to the motel owners. The CAO continues to utilize its internal approval system to help streamline submissions for payment approval and processing.

A booking agreement is executed with a hotel that confirms a fixed nightly rate, but hotel rooms may fluctuate given the number of participants at a location and room availability at a given time. An occupancy agreement includes a fixed nightly rate as well as a guaranteed number of rooms regardless if they are filled or not.

As of June 30, 2024, there are 34 executed booking agreements with active motels, and 11 executed occupancy agreements. Two new occupancy agreements were executed and two new occupancy agreements and an amendment to add an office room to an existing occupancy agreement are pending execution. This report requests authority and transfer of funding in the amount of \$8,644,475.50 for these new agreements.

Details of these agreements are as follows:

CD	No. of Rooms	Rate	Term	Extension Options	Projected Costs
<b>Newly Executed Occupancy Agreements</b>					
14	50	\$105 + TOT	6/17/2024 - 6/16/2025	Two 1-year option	\$2,184,525.00
4	42 + 1 Office	\$110 + TOT \$220 + TOT for Office	6/24/2024 - 6/23/2025	None	\$2,013,924.00
<b>Occupancy Agreements Pending Execution</b>					
3	41	\$150 + TOT	one year	Two 1-year option	\$2,559,015.00
13	43	\$105 + TOT	one year	Two 1-year option	\$1,878,691.50
<b>Amendment to Existing Occupancy Agreement Pending Execution</b>					
4	1 Office	\$160	7/29/2024 - 9/18/2024	N/A	\$8,320.00
<b>Total</b>					<b>\$8,644,475.50</b>

The 11 executed occupancy agreements represent a 460 room capacity with nightly costs ranging from \$110 to \$165 per night, with two service provider 2-bedroom office rooms costing \$220 per night. These rates are similar to comparable motels in the same geographic locations throughout the City. The term of the occupancy agreements range from one to two years, with up to two one-year extension options. The total leasing costs for the multi-year occupancy agreements is estimated to be \$36,304,950. If the additional agreements and amendment are executed, this represents an additional 85 room capacity at an additional projected cost of \$4,446,027 for a total of 545 room capacity and total leasing cost of \$40,750,977. If all extension options are executed, there would be an additional projected cost of \$30,346,637, for a total cost of \$71,097,614.

This strategy provides stable units in high-need areas to support Inside Safe Operations, including multi-district regional operations. The Mayor’s Office is working with service providers and hotels/motels to ensure that rooms are consistently filled and closely monitored to ensure that vacant rooms are minimal and rapidly filled. Additionally, the Mayor’s Office is in the process of renegotiating select nightly booking and occupancy agreements to reduce costs and extend contracts for a period that will count toward the LA Alliance Settlement milestones, allowing the City to receive reimbursement for service costs at these motels per the Memorandum of Understanding between the County of Los Angeles and the City of Los Angeles relative to the Alliance Settlement Agreement. Contracts with cumulative terms (i.e. original term and options to extend) that exceed 3 years will be submitted to Council for approval, as outlined in Charter Section 10.5 Limitation and Power to make Contracts.

Facility expenses incurred since the beginning of the program total \$308,272. These costs include property improvements, repairs/damages, and valuation reports. This report requests authority and transfer of funding for an insurance adjuster contract (\$150,000) and a transfer of \$100,000 for FY 2024-25 projected repairs/damages costs. A contracted insurance adjuster will provide services on an as needed basis to ensure timely processing and expertise to ensure that the City pays costs that are fairly and accurately assessed per its contractual obligations for Inside Safe participating properties. Per guidance from the City Attorney's Office, GSD previously completed a competitive bidding process by task order solicitation to select a qualified contractor.

### **Payment Enablement Services Platform**

Our office was advised by the City Attorney that the City should release a request for proposals (RFP) to meet the high demand of reconciliation of 151 monthly invoices from Inside Safe motels. The RFP for a custom solution to streamline the motel invoicing and verification process associated with the Inside Safe Program was released on April 29, 2024. The deadline for submissions was May 13, 2024, by 5:00pm, and the received proposals have been evaluated. Final recommendations, funding approval, and further updates will be provided in future reports.

One of the challenges with the current process is that motel sites and service providers have their own individual forms and procedures for submission and verification for room stays related to Inside Safe participants, which can cause delays in the initial review of motel invoices. Although several efficiencies have been implemented, standardized submissions are still a challenge across the nightly motel room portfolio. Once a contractor is selected, the expectation is that a new platform will provide a comprehensive solution through centralizing housing management and care delivery, ensuring data accuracy, expediting motel payments, and providing real-time data dashboards and reports. The proposed platform should also integrate into LAHSA's new and legacy systems, including HMIS. The estimated annual cost of this platform is expected not to exceed \$2,580,000. The contract term is expected to be one year with a one year option to extend.

The selected contractor will be expected to reconcile motel invoices with Service Provider verifications, provide customer service and training, and remit payment once the City has approved. By further standardizing invoice submissions and providing dedicated resources for this process, accuracy and speed of payments should increase. This is expected to significantly decrease the workload to City staff by not only decreasing the number of vendors the City is obligated to pay, but also removing the initial verification for over one thousand rooms on a weekly basis. In addition, through this platform, participating service providers may be able to create a more uniform motel intake process with daily check-ins with motel clients to eliminate data gaps and

inaccuracies.

## **LA Grand Hotel**

On February 24, 2023, the CAO released the Revised Sixteenth Roadmap Report (C.F. 20-0841-S31), which authorized the extension of the LA Grand Hotel lease from February 1, 2023, through February 1, 2024, for use as interim housing. Subsequently, on December 1, 2023, the CAO released the Twenty-First Roadmap Report (C.F. 20-0841-S40), which authorized the extension of the LA Grand lease from February 1, 2024, through July 31, 2024. This secondary lease extension will allow for a seamless transition for those participants that are going to be relocated from the Grand to the Mayfair once GSD completes the initial move-in phases (Phase 0, Phase 1A and Phase 1B) of the Mayfair renovation plans. Additional information regarding the Mayfair's renovation phases is provided in this report's next section entitled, "Mayfair Hotel." Regular reporting on the demobilization plan that ensures all residents continue on their housing solution path are to be provided to Council in a separate report.

The lease covers a total of 481 rooms with a rate of \$154/night, which includes meals. Lease costs billed through June 30, 2024, are \$32,172,050. The estimated total lease cost, considering current occupancy, anticipated ramp down, and lease term for the secondary extension of LA Grand from February 1, 2024, through July 31, 2024, is \$11,327,910. According to the service provider, Weingart, as of June 28, 2024, all participants have exited the LA Grand Hotel. Prior to the demobilization process, the City was obligated to pay a minimum monthly cost based on an occupancy rate of 85 percent, which is equivalent to approximately 409 rooms or 12,266 room nights per month. During the demobilization process, the City is obligated to pay for a minimum of 10,000 room nights for the final two months, which averages around a 70 percent occupancy during this time frame and is less than the standard minimum.

## **Mayfair Hotel**

On August 18, 2023, Council approved the acquisition and rehabilitation of the Mayfair Hotel for use as interim housing for Inside Safe. The site, which opened and started accepting clients on May 1, 2024, has 294 rooms with a three-level 183 parking space garage and is located in Council District 1. It was previously used as a part of Project RoomKey (PRK). According to Weingart, as of June 28, 2024, Mayfair was at approximately 90 percent occupancy with 266 rooms and 274 participants. A cash flow loan of \$42,879,270 was authorized from the HEA to be reimbursed from the Community Development Block Grant (CDBG) Fund (\$27,687,000), Proposition HHH Fund (\$5,192,270), and the Municipal Housing Finance Fund (MHFF) (\$10,000,000). As of November 10, 2023, \$15,192,270 of the Proposition HHH and MHFF fund loans have been transferred back into the HEA. As of April 25, 2024, \$27,687,000 of the CDBG fund loan was transferred back into the HEA. Non-reimbursable costs from the HEA

total \$15,633,100 and include costs transferred to the General Services Department (GSD) for escrow (\$1,000,000), CBRE contracted costs for due diligence and project management (\$266,100), first year of operations costs, which includes utilities, facility management, and other associated expenses for building upkeep (\$5,067,000), and rehab costs and associated project management (\$9,300,000). Currently, all of these expenses have been transferred to the appropriate department for spending.

In a Municipal Facilities Committee Report released on January 29, 2024 (C.F. 23-0792-S2), GSD provided supplemental information regarding the rehabilitation of the Mayfair Hotel. Renovation will be done in multiple phases. The goal of the initial move-in (Phase 0, Phase 1A and Phase 1B) is to complete major construction such as 294 room renovation, case management spaces, intake area build-out medical services area, and other code compliance items. Phase 2, which will start later in 2024 after participants move-in and last about 10 to 12 months, will include seismic strengthening, elevator modernization, façade repair, and roof repair. The previous report noted that \$8,942,270 in additional costs are needed to complete the Phase 2 rehabilitation of the Mayfair, of which \$5,793,470 will be supported by the HEA and was transferred to the Bureau of Engineering (BOE) on June 12, 2024. Additionally, GSD submitted a transfer request for HACLA's second year of Mayfair operations costs, which includes utilities, facility management, and other associated expenses for building upkeep (\$5,067,000); the transfer was completed on June 25, 2024.

Our office's Risk Management Group previously paid for the Mayfair's property insurance policy with the term date of March 27, 2024 through March 27, 2025 in the amount of \$82,795.38. The policy was executed at the direction of the Mayor's Office and at the request of the City Council. This report requests a transfer to reimburse the cost of this policy. If the policy is renewed in March 2025, an additional transfer will be requested.

### **Project HomeKey-3 Match**

On June 30, 2023, the City Council and Mayor approved the CAO report relative to the Recommendations Related to the State of California Department of Housing and Community Development HomeKey Program, Round 3 Report (C.F. 21-0112-S3), which authorized the City to obligate City match and funding for three housing sites to be used as interim housing. Within this report, it is noted that an up to amount of \$31,567,800 of match funding would be used, subject to the approval of the Mayor's Office. A transfer of \$20,471,800 was authorized to the Los Angeles Housing Department (LAHD), as approved by the Mayor's Office, for capital costs associated with the Cheviot Hills - Shelby project. This project is expected to provide 75 interim housing units and one manager's unit. This funding is also leveraged for the Motel 6 - North Hills project, which is expected to provide 110 interim housing units and one manager's unit. An up-to amount of \$11,096,000 for Cheviot Hills - Shelby operating costs, which were

earmarked against last year's HEA funding, is expected to be transferred at a later date to be determined by the Mayor's Office. This transfer will then be included in a future report for Council approval.

### **LAHSA Service Provider Contracts**

The Inside Safe initiative relies upon the work of the Los Angeles Homeless Services Authority (LAHSA) and service providers in conducting assessments, providing services which include case management services, housing navigation, street engagement, food programming, and resident monitors. The Mayor's Office finalized budget approvals for services between January 1, 2024, through June 30, 2024, and will continue to work with LAHSA to assess costs associated with work performed. The current budget provides authority for up to \$86,120,941 for service provider reimbursements (including Weingart and previous LA Grand contractors) tied to the Inside Safe initiative as well as LAHSA administrative oversight. Beginning the second quarter of FY 2023-2024, the service provider budget is based on a daily bed rate of up to \$110/person served by the current 10 service providers. To date, six supportive services-specific invoices have been submitted to the City for reimbursement and paid from the Homelessness Emergency Account. The Mayor's Office and LAHSA continue to meet regularly to understand the needs associated with Inside Safe specific services and the corresponding finalized Scope of Required Services (SRS). Attachment 5 outlines services within the Inside Safe Service Provider Scope of Required Services. Fourteen new qualified service providers were identified as a result of the procurement LAHSA released that closed November 22, 2023, which is expected to increase service levels. Service provider budgets are currently approved on a per-encampment, by service provider basis. Based on this current methodology, the Mayor's Office approved authority for an up-to amount of \$60,225,000 for Service Providers to serve an estimated 1,500 people experiencing homelessness (PEH) in FY 2024-25. The Mayor's Office is exploring a slot based payment structure with LAHSA that is expected to enhance room utilization, reduce contract amendments and improve program oversight. The Mayor's Office also authorized LAHSA to provide 330 time-limited subsidies and 300 housing navigation slots to Inside Safe participants, which is anticipated to roll out over the next two quarters. Additional information will be provided in future reports.

Since June 1, 2023, Weingart has been providing services at the LA Grand, with an initial service period through January 31, 2024. The negotiated amount for this period was \$9,019,449. Weingart continued providing services during the six month extension of the LA Grand lease, which was expected to continue through July 31, 2024. The updated Weingart services budget of \$6,109,283 for the LA Grand extension was approved and took into consideration the demobilization and ramp down of the LA Grand.

On May 1, 2024, Weingart began providing services at the Mayfair Hotel for occupants

transitioning from the LA Grand. The proposed first year budget includes \$111,451 for ramp up costs and \$11,925,697 for 12 months of services for a total amount of \$12,037,148. Weingart is anticipated to provide services for two years to coincide with the City and County's joint award from the State's Encampment Resolution Funding Program. Attachment 2 accounts for one year of funding within FY 2023-24 allocation of the HEA.

The Mayor's Office is working with Weingart to expand the Inside Safe portfolio to fund 58 beds at the Weingart facility located in Council District 14. This will be a model where bed costs and services will be provided for a total rate of \$110 per bed per night. An up to contract amount of \$2,328,700 is requested to support the first of year the contract, which will be for one year with two one-year options to extend. Additional information is included in Attachment 5.

The Inside Safe program model began with housing fairs, which provided staffing, necessary materials, and Uber rides to clients to visit different housing options. A total of \$20,000 was approved by the Mayor's Office for the 17 housing fairs. Currently, the County-City co-host Service Connection Days one or two weeks after Inside Safe operations to get people document-ready and provide participants an opportunity to connect with County services directly to initiate additional care. Participating departments include: Department of Motor Vehicles, Housing for Health Mobile Clinics, Department of Mental Health, Department of Public Social Services, Office of Immigrant Affairs and Department of Military and Veterans Affairs.

LAHSA continues to work with providers to ensure all exit data is entered into HMIS and is up to date and has committed to providing reconciled and verifiable exit data for Inside Safe regular reporting.

The Mayor's Office is also coordinating with LAHSA and service providers to address the cost of storing participants' personal items for up to 30 days upon exiting interim housing through implementing storage bins (measuring 10' x 8' x 8' in size) at motel sites, at a cost of approximately \$80 per month. The Mayor's Office will coordinate the delivery, pay the initial delivery cost (\$175) and front fund the first three months (Attachment 5). This Office estimates that this may cost \$18,675 for 45 motels, but the actual costs will depend on the number of storage bins deployed.

### **RV Storage Lot**

In Attachment 5, the Mayor's Office reports that a 48,838 square feet, Metro-owned lot that can be leased and converted into storage for relinquished RV's during resolution efforts led by City entities, including Inside Safe, has been identified. The lot will function similarly to an Official Police Garage. However, HEA is anticipated to provide Metro with

\$150,000, approximately \$3.07 per square feet, per year to support their own homelessness programs. This amount has been updated from the previous report based on revised estimates from the Mayor's Office. The contract term is three years.

In the fourth Construction Projects Report of Fiscal Year (FY) 2022-23 (C.F. 22-0847-S3), a total of \$359,000 was approved for design and site pre-development, which includes \$200,000 of Additional Homeless Service - General City Purpose funds and \$159,000 of Capital and Technology Improvement Expenditure Program (CTIEP) funds. In the FY 2023-24 adopted budget, CTIEP funding in the amount of \$2,393,388 was approved for construction of the site. The total cost of construction for this site is \$2,752,388.

### **City Department Costs**

As of June 30, 2024, the Los Angeles Police Department (LAPD) has submitted for reimbursement a total of \$67,452, for costs related to 675.2 overtime hours associated with Inside Safe operations since the beginning of the fiscal year through March 31, 2024. The remaining costs for FY 2023-24 is expected to be \$17,934.39. This would equal a total of \$85,387 paid from the HEA for LAPD overtime. Primarily, LAPD has been providing support for, and ensuring the safety of, City staff and Inside Safe participants. To date, there have been zero arrests during the initial phase of operations.

Additionally, the Mayor's Office has approved LAPD's requested amount of \$250,000 to support the initial phase of the new Vehicle Recycling Program (VRP) with the provider, SA Recycling. The funding will be used to authorize the dismantling and recycling of Recreational Vehicles that have been impounded and are unclaimed, in grave disrepair, or are an environmental hazard. Initial funding will allow Official Police Garages (OPGs) to recycle vehicles awaiting salvage so that space can be created for implementation of the Mayor's Inside Safe initiative to address unsafe and unsanitary vehicle dwellings and move displaced Angelenos into housing.

CAO staff (approximately 6.5 FTE) is tasked with processing invoices (as outlined in various sections of this report), monitoring the HEA's balance and commitments, tracking expenditures, and providing monthly reports summarizing expenses incurred and purposes for which the funds were used. Staff is funded by either the Homeless Housing, Assistance and Prevention (HHAP) Grant or by General Funds, with HHAP being the main funding source.

## **FISCAL IMPACT STATEMENT**

There is no additional General Fund impact as a result of the recommendations in this report. The recommendations in this report utilize the City's General Fund that was previously budgeted and approved for homelessness interventions.

## **FINANCIAL POLICIES STATEMENT**

The recommendations in this report comply with the City Financial Policies in that budgeted funds are being used to fund recommended actions.

<b>City Departments</b>											
Los Angeles Police Department Overtime	Support for, and ensuring the safety of, City staff and Inside Safe participants.	\$0	\$0	\$67,452	\$0	\$17,934	\$85,387	\$0	\$0	\$85,387	-\$85,387
Homelessness & Housing Solutions Support (Mayor's Office) <sup>8</sup>	Includes the City's response to the emergency declaration on homelessness, executive directives to lead a citywide increase in affordable housing production, and the Inside Safe Initiative. Also allows for the direct hiring of 13 outreach teams to be trained and deployed in support of the Inside Safe Initiative.	\$0	\$0	\$7,200,000	\$0	\$0	\$7,200,000	\$0	\$0	\$7,200,000	-\$7,200,000
Los Angeles Police Department - Vehicle Recycling Program	Support for the dismantling and recycling of RVs that have been impounded and are unclaimed, in grave disrepair, or are an environmental hazard.	\$0	\$0	\$250,000	\$0	\$0	\$250,000	\$0	\$0	\$250,000	-\$250,000
<i>subtotal</i>		\$0	\$0	\$7,517,452	\$0	\$17,934	\$7,535,387	\$0	\$0	\$7,535,387	-\$7,535,387
<b>Grand Totals by Column</b>		<b>\$250,000,000</b>	<b>\$65,381,054</b>	<b>\$168,956,681</b>	<b>\$12,795,829</b>	<b>\$51,958,047</b>	<b>\$233,710,557</b>	<b>\$81,216,732</b>	<b>\$5,067,000</b>	<b>\$314,927,289</b>	<b>\$576,179</b>
	<b>Total Cash Available for FY 2023-24</b>	<b>\$315,381,054</b>									
	<b>Total Expenditures Paid by June 30, 2024</b>	<b>\$174,023,681</b>									
	<b>Funds Encumbered in FY 2023-24 <sup>1</sup></b>	<b>\$29,135,351</b>									
	<b>FY 2022-23 Reappropriation to FY 2024-25</b>	<b>\$112,483,618</b>									
						<b>FY 2023 - 24 Year End Projected Balance</b>	<b>\$81,670,497</b>			<b>Projected Balance with Future Fiscal Year Obligations</b>	<b>\$453,765</b>

<sup>1</sup> Funds for booking and occupancy agreements were encumbered. Encumbered funds will decrease as expenditures are paid out. Of the encumbered amount, \$18,960,331 is encumbered for FY 2024-25 Costs. See Table C. FY 2024 - 25: Budget Breakdown

<sup>2</sup> Future Fiscal Years Obligations includes cost projections for Booking Agreements and Service Provider Costs for the first quarter of FY 2024-25.

<sup>3</sup> Two new occupancy agreements were executed in late June 2024 and two more and an amendment to an existing agreement are expected to be executed in late July. The projected costs are split across the funding allocation for FY 24 (\$122K) and FY25 (8.5M). This does not include projected costs for Occupancy Agreement extension options. If all extensions options were executed, there would be an additional projected cost of \$30,346,637 for a total cost of \$71,097,613.80.

<sup>4</sup> Projections for the six month renewal through July 31, 2024 reflect LA Grand demobilization and ramp down.

<sup>5</sup> Service Provider costs reflect actuals reported by LAHSA as of March 15, 2024.

<sup>6</sup> Updated as reported by the Mayor's Office, pending final budget.

<sup>7</sup> Multiple funding sources support the PHK3 Matching Funds: \$31,567,800 from HEA, \$15,000,000 from HHAP Round 3, and \$12,940 in HOME-ARP funds. The level of support has been revised based on award letters that have been issued for projects. This funding will provide 185 units of interim housing and two manager units.

<sup>8</sup> Per the Nondepartmental Footnotes of the adopted FY24 Budget Resolution, \$7.2M was transferred to the Mayor's Office for homelessness and housing support. As reported by the Mayor's Office, an estimated \$4,320,000 will be carried over as part of the Mayor's Fund 100 operating accounts in FY 2024-25.

<sup>1</sup> \$112.5 million from FY 2023-24 is pending reappropriation into the FY 2024-25 accounts. Of this amount, \$43.8 million was earmarked for FY 2022-23 & FY 2023-24 Expenses. Details regarding these past fiscal years' expenses can be found on Table A and Table B.  
<sup>2</sup> Two new occupancy agreements were executed in late June 2024 and two more and an amendment to an existing agreement are expected to be executed in late July. The projected costs are split across the funding allocation for FY 24 (\$122K) and FY25 (8.5M). This does not include projected costs for Occupancy Agreement extension options. If all extensions options were executed, there would be an additional projected cost of \$30,346,637 for a total cost of \$71,097,613.80  
<sup>3</sup> The Emergency Stabilization Beds State Grant are deposited in a separate account and not in the HEA or Inside Safe Reserve. Funding allocation and approvals relating to this grant is provided in separate reports.  
\* Indicates transfers and/or budget for Q1 only. Additional allocations to be identified in a future report.

# Attachment 3: Inside Safe Operations and Associated Service Provider and Hotel Costs

<sup>1</sup> Information as of June 30, 2024. Pending additional details from Mayor's Office and LAHSA to be provided in subsequent reports.

<sup>2</sup> Encampment operations placements and current status based on LAHSA reporting.

<sup>3</sup> Updated based on LAHSA reporting dated July 16, 2024. This may not include all actuals to date.

<sup>4</sup> The City was not directly billed for nightly hotels for these participants.

<sup>5</sup> Some hotels used were not billed directly to the City. Including nightly rate for directly billed hotel.

<sup>6</sup> Service provider budgets are currently approved on a per-encampment, by service provider basis. Funding for unallocated encampments was approved to support operations that come online while the specific encampment operation budget is pending.

<sup>7</sup> Per the Mayor's Office, the participant associated with this repopulation operation was housed inside LAFH's building.

<sup>8</sup> Per the Mayor's Office, the participant associated with this repopulation operation was listed on a by name list, but was not available when the team returned to process housing placements.

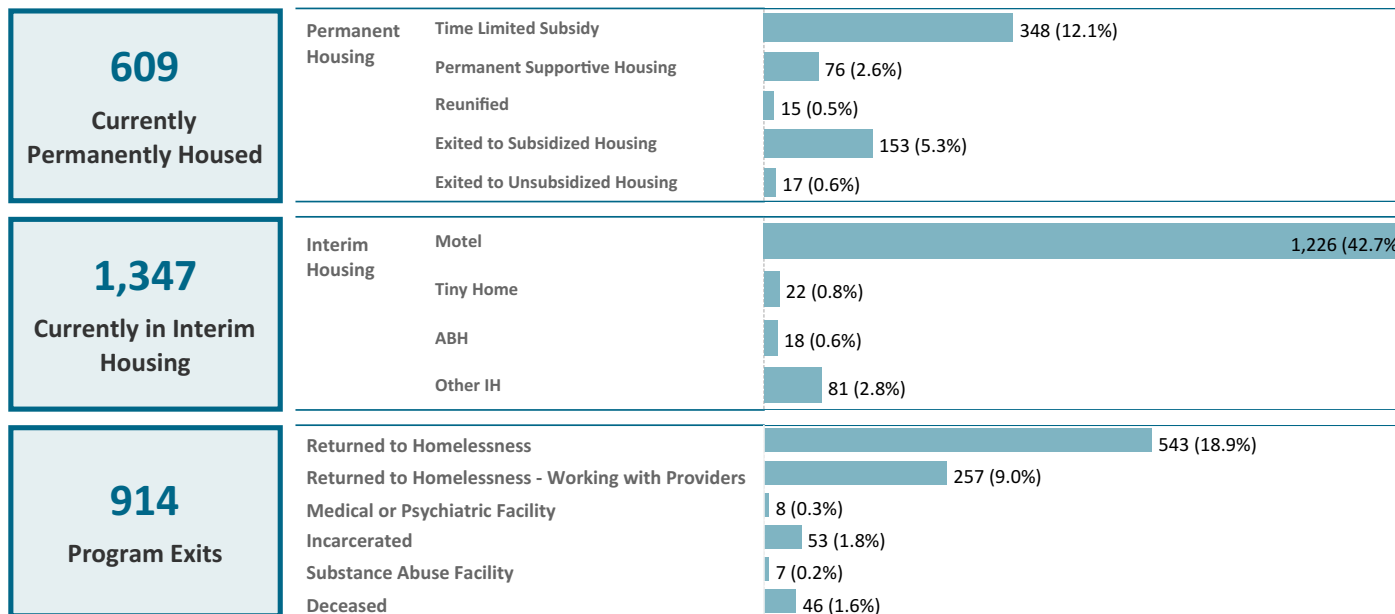

# Inside Safe

## Los Angeles Homeless Services Authority Report

Data through June 30, 2024. Revised June 30, 2024. Please disregard all previous reports.

### Current Status of Clients Who Entered Interim Housing

### Demographics

#### Age

#### Gender

#### Race & Ethnicity

**Individuals included in report:** Includes clients who were engaged on the day of the encampment resolution and in repopulations efforts. Inside Safe also includes clients who were living in other ad hoc encampments throughout the city since January 2023 and clients that were living in the LA Grand on Feb 1, 2023, when transition from a PRK site. It also include clients in the ERF LA Grand Program. The nonspecific encampment-based clients comprise 620 individuals.

**Housing Retention:** The percentage is calculated by dividing the sum of people who are Currently Permanently Housed and Currently in Interim Housing by the number of people who entered Interim Housing. This figure excludes clients that have passed away as they did not voluntarily exit the programs.

**Returned to Homelessness- Working with Providers:** This includes clients who have left interim or permanent housing, but who are currently still engaging with outreach and housing programs.

**Returned to Homelessness:** Clients who have left the program and are not active in any other homeless services program in HMIS.

#### Data Quality:

The report includes only data that providers have entered into HMIS. Providers have up to 72 hours after an interaction with, or a change in status of, a client to make a record in HMIS. Due to the dynamic nature of the program and its participants, this process may take longer than 72 hours. There may also be additional activities that have yet to be captured in HMIS. LAHSA and service providers strive for complete, accurate, and timely data in HMIS. The Data Management team at LAHSA is actively collaborating with providers to resolve any data discrepancies.

**Entered Interim Housing:** Includes only clients who entered interim housing. This cohort is the basis for all reporting.

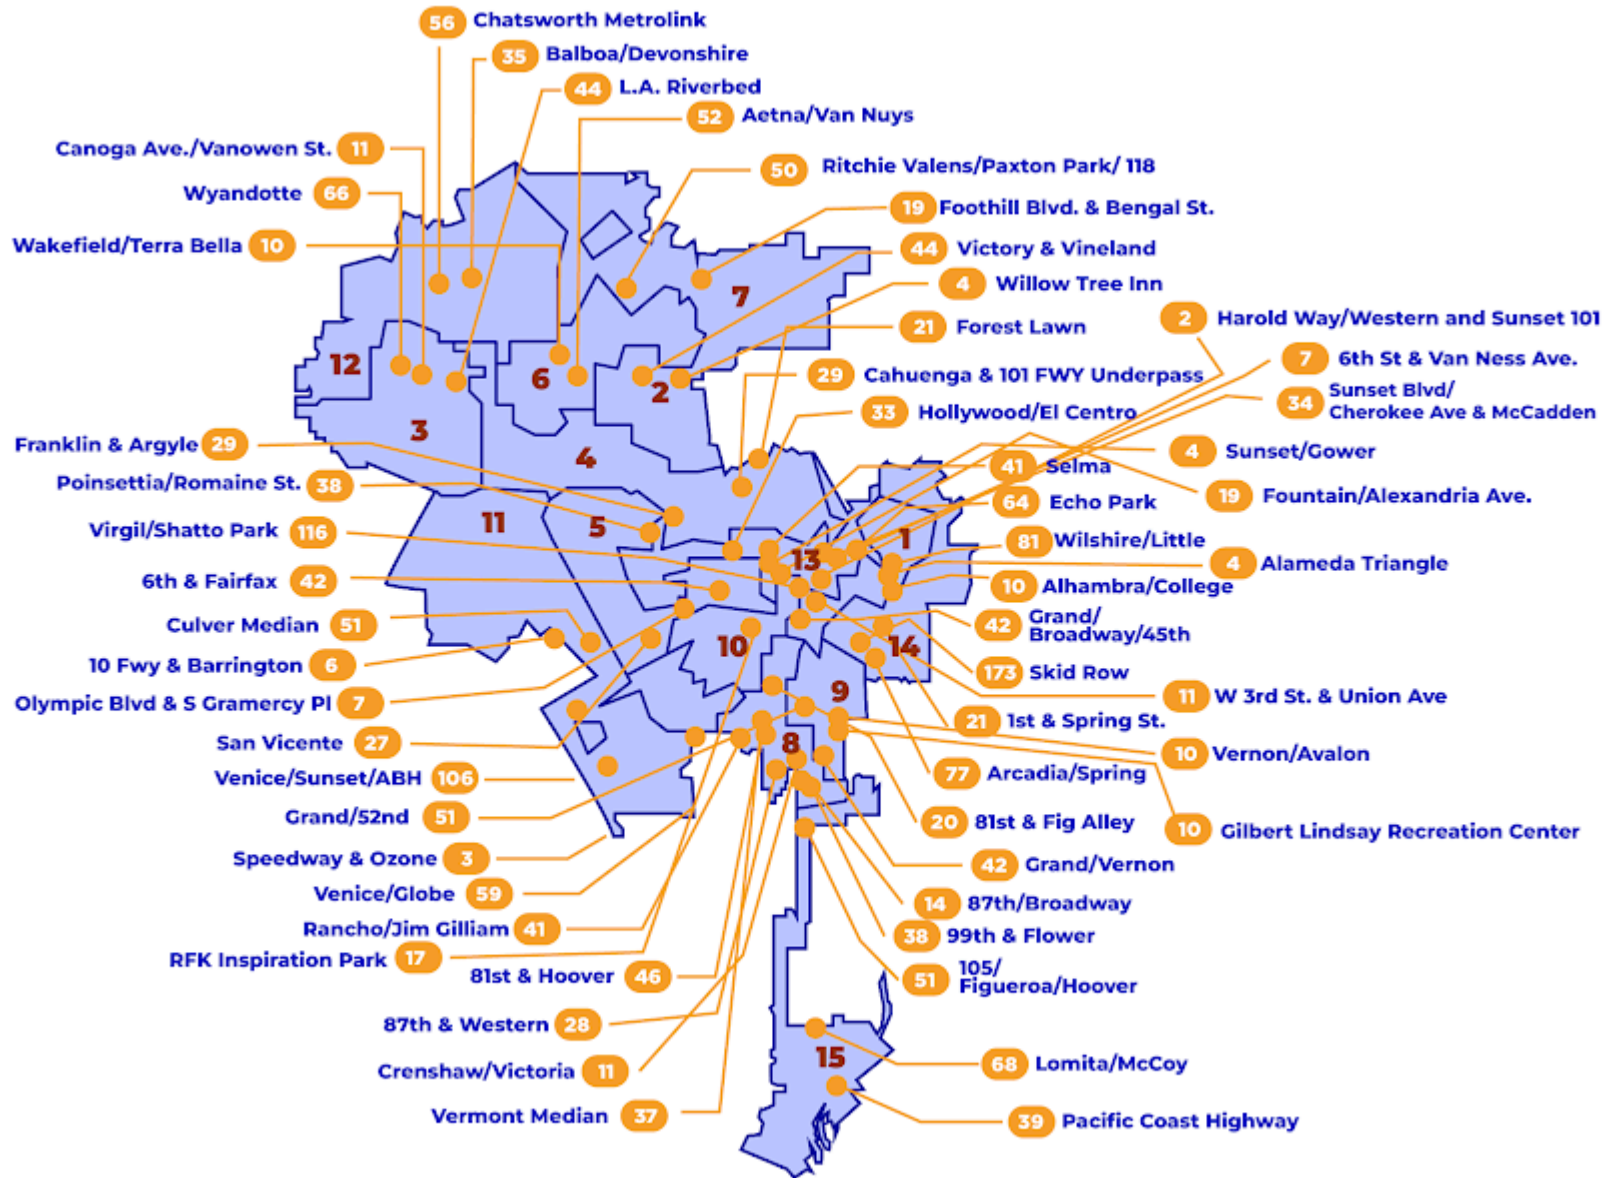

**Percentage Permanently Housed:** Calculated from all clients who entered interim housing who have not exited from program.

**Duplicative Clients:** As a note there have been 72 clients who have been involved in more than one resolution. They are deduplicated in the total count.

Attachment 5: Appendix from Mayor’s Office of Housing & Homelessness Solutions

---

**MEMORANDUM**

---

**TO:** Paul Krekorian, Council President, City Council  
Nithya Raman, Chair Housing and Homelessness Committee  
Bob Blumenfield, Chair Budget, Finance and Innovation Committee

**FROM:**   
Lourdes Castro Ramirez, Chief Housing and Homelessness Solutions Officer

**RE:** Mayor’s Office of Housing and Homelessness Solutions Monthly Supplement, HEA Report 17

**DATE:** July 17, 2024

---

The Mayor’s Office of Housing and Homelessness (MOHHS) received Council funding approval through the annual budget process for a total of \$185.5 million in FY 2024-2025 (July 1, 2024 - June 30, 2025) to continue moving with urgency to bring unhoused Angelenos inside with interim housing and services through Inside Safe, coordinating the implementation of homelessness prevention efforts, improving affordable housing preservation, accelerating housing production, and strengthening the homelessness and housing delivery system to improve outcomes.

The City has made significant progress in addressing housing insecurity and homelessness. Thousands more Angelenos have accepted housing offers than during the previous year. Affordable housing production has also accelerated through emergency actions, with over 18,000 units of 100% affordable housing expedited under Executive Directive 1, as the City locks arms with both public and private partners. These successes have been possible because the Mayor and Council worked together and across the city with urgency and declared a state of emergency to confront this crisis.

On July 2, 2024, City Council approved a transfer from the Inside Safe Reserve Account to the Homelessness Emergency Account in the amount of \$32.6 million to meet LAHSA and service provider expenses incurred under approved authority in FY 2023-24 and \$23,223,094.05 to cover expenses for the first quarter of FY 2024-25, from July 1 through September 30, 2024. That funding will ensure continuity of services, including

## Attachment 5: Appendix from Mayor's Office of Housing & Homelessness Solutions

case management and housing for Inside Safe participants as we continue to build momentum toward confronting the crisis together.

### **HEA #17 Report Funding Request**

The Mayor's Office is requesting a funding transfer from the Inside Safe Reserve Account to the Homelessness Emergency Account to support expenses for hotels under occupancy agreements, funds for a claims adjuster contract to ensure timely and accurate assessment of damage claims, funding to cover insurance costs for the Mayfair Hotel, and a 25% advance on a contract for 58 beds in an existing Weingart interim property.

In order to support the timely and successful demobilization of the LA Grand Hotel, the City has contracted with two new hotels, both located in Council District 14. These hotels have 21 and 50 rooms at a nightly rate of \$115 plus transient occupancy tax respectively and \$105 plus transient occupancy tax, respectively. The contracts were executed on March 7, 2024 (a nightly booking agreement) and June 17, 2024 (a year-long occupancy agreement). Abundant Blessings will provide service provisions at both sites. The total funding transfer for the occupancy agreement hotel is \$2,184,525.00.

An additional hotel was secured in CD 4 to support a new operation within this district. This hotel has 43 rooms (42 units plus 1 office) at a base rate of \$110 plus transient occupancy tax, respectively, with an office rate of \$220 plus transient occupancy tax. The occupancy agreement contract is for one year, with no extension options, and has a term start date of 06/24/2024. The total funding transfer for this occupancy agreement is \$2,013,924.00.

New funding is requested to support two new hotels coming online to help with the demobilization efforts. The City is entering these new hotel contracts in Council District 13 and Council District 3. The hotel in CD 13 has 43 units at a nightly rate of \$105 plus transient occupancy tax respectively and will be under (a year-long occupancy agreement with 2-year options to extend) for an annual rate total of \$1,878,691.50. The hotel in CD 3 has 41 units at a nightly rate of \$150 plus transient occupancy tax, respectively, and will be under (a year-long occupancy agreement with 2-year options to extend) for an annual rate of \$2,559,015.

To maximize bed availability at an existing site in CD 3, the Mayor's Office would like to move forward with amending an existing agreement. The property's office space would be added to the contract at a rate of \$160 all-inclusive for the remaining 52 days,

## Attachment 5: Appendix from Mayor's Office of Housing & Homelessness Solutions

totaling \$8,320. Contracting this additional unit would alleviate the 3 rooms the service provider is currently occupying.

A request for funding is needed to support interim housing for the Inside Safe interim housing portfolio with reduced costs. This cost-effective model aligns with the current required services guidelines (SRS). The first phase of this effort will focus on supporting a CD 14 Inside Safe Operation. The City is seeking to establish a new contract with Weingart to support a hybrid room and service provider model. The interim housing space is situated at Weingart Center's main 610-unit facility located at 566 S. San Pedro in CD 14 and offers 58 fully furnished dormitory-style beds. The unit and service provider inclusive costs will be available at a nightly rate of \$110 and will be subject to a year-long agreement with options to extend for 2 years, making the annual rate \$2,328,700. The current request is for a 25% advance on this contract for \$582,175.

The Mayor's Office is seeking to execute a contract between the City and an insurance adjuster to provide claim adjustment services for Inside Safe participating properties, as needed. The claims adjuster will ensure that the City only assumes liability for claims that fall under our contractual responsibility and that costs are fairly and accurately assessed. This contract would be funded in advance for \$150,000, to be used for services rendered. Additionally, \$100,000 is requested for motel expenses associated with expected damage claims.

The Mayfair Hotel successfully opened on May 1st and requires an \$82,795.38 payment to cover insurance costs for the property from March 27, 2024, through March 27, 2025. This is a one-time expense for that time period.

### **Inside Safe Encampment Resolution Updates**

At least one Inside Safe operation has been completed in every Council District. During the reporting period from June 1 - June 30, 2024, Inside Safe participants increased by 103 to the program to a total of 2,870 people. This increase is primarily due to new Inside Safe participants from 4 operations and repopulation response efforts. The number of Inside Safe participants who transitioned to permanent housing solutions between June 1 - June 30, 2024, increased by 70 to a total of 609.

The City is also working closely with local neighbors, stakeholders, and businesses to provide information and support around encampments that Inside Safe addressed. This includes hosting a series of town hall-style meetings, 17 of which have been held as of June 30, 2024. The first of these virtual meetings was held on January 25, 2024. They are not scheduled on a regular cadence but are held occasionally and as required to

## Attachment 5: Appendix from Mayor's Office of Housing & Homelessness Solutions

address community and stakeholder concerns.

### **Inside Safe Program Description**

[Inside Safe](#) was launched under Executive Directive 2 (ED2) in December 2022 to house Angelenos living in encampments, connect them to services, and prevent their return to the street. The Mayor's Office works with different departments during each Inside Safe operation, depending on the needs of the particular encampment. These departments have included the Department of Sanitation (LASAN), Transportation (LADOT), the Police Department (LAPD), and Animal Services.

Since January 2024, Council Offices have submitted 76 encampment priorities, all of which have been assessed by the Inside Safe Field Intervention Team (FIT). Assessments include a survey of the surrounding neighborhood, engagement with encampment residents and identification of their needs, severity of their health/behavioral health needs, and determination of required resources (e.g., Loop, County Department Health Services Multi-Disciplinary Team or Department Mental Health HOME team, specific City departments) for the day of encampment resolution.

After the Inside Safe Field Intervention Team has completed its assessment of a Council District priority encampment, interim housing is identified to address all of the residents in the encampment community who want to enroll in the program and are on the by-name list.

Following this, depending on the circumstances, the process includes further encampment engagement, securing service providers to operate the interim housing site(s), convening collaborators (e.g., Council Office, City Departments, LAHSA, LA County, service providers, interim housing owners, and street medicine teams) to coordinate the operation, and case conferencing with LAHSA outreach teams.

All efforts are made to find interim housing in that Council District or a neighboring one. For individuals who arrive at the encampment on the day of an operation and need to be added to the by-name list, LAHSA supports efforts to find alternative interim housing options for those individuals.

Following an encampment resolution, the same outreach teams monitor the original location for re-population, engage with new or old residents at the site, and offer housing as it becomes available. A repopulated encampment is one that exists at a location that was previously resolved.

## Attachment 5: Appendix from Mayor’s Office of Housing & Homelessness Solutions

As outlined in the LAHSA Inside Safe Service Provider Scope of Required Services, services at Inside Safe interim housing include:

- Case management on at least a weekly basis
- Residential monitoring that provides crisis intervention and conflict resolution
- Supportive services, including document collection for permanent housing readiness.
- Three meals per day
- Connection to LA County’s mainstream benefits and services
- Harm reduction-based services and/or resource connections

Community engagement is also an integral part of the planning process for each encampment resolution. During this phase, members of the Field Intervention Team will join service providers and City Council partners to engage with encampment residents, local businesses, and constituents, including, but not limited to, speaking with them.

### MOHHS Quarter 1 Plans and Projections

#### Inside Safe Encampment Resolutions

Inside Safe operations are dynamic, and timelines may shift for a variety of reasons, including council district priorities, voluntary participation, encampment-specific needs (e.g., RVs, number of residents, size of encampment, safety/hazard issues, multiple jurisdictions), availability of interim housing, and service provider capacity. As such, the Mayor’s Office has developed a proposed schedule as outlined below and will provide monthly updates.

Based on the Council Office priority submissions and site assessments, for the first quarter of FY 2024-2025 (July 1, 2024, to September 30, 2024), MOHHS anticipates coordinating the following Inside Safe operations in every council district as follows:

Region	Council District	County Service Planning Area	Projected Operations
San Fernando Valley	2, 3, 4, 6, 7 and 12	2	3-4
Metro/DTLA/East LA	1, 14	4	1
Hollywood	4, 13	4	1
West LA	5, 11	4 and 5	1-2
South LA	8, 9, 10	6	2

## Attachment 5: Appendix from Mayor’s Office of Housing & Homelessness Solutions

Region	Council District	County Service Planning Area	Projected Operations
South Bay	8, 15	8	1
<b>TOTAL:</b>			<b>9-12</b>

MOHHS anticipates that, including existing participants who will start the new FY in the program and those entering for the first time, Inside Safe will serve approximately 1,600 people experiencing homelessness during the first quarter. For all participants who voluntarily enroll in the Inside Safe programming, service providers under contract will adhere to the Scope of Required Services and deliver services that include residential monitoring, wellness checks, three meals per day, weekly case management, referrals to mainstream benefits, health/behavioral health services, among others. Additionally, the Mayor’s Office will continue to monitor sites where encampment resolution efforts have been completed and address repopulation if it occurs.

While it is impossible to guarantee that a particular number of people will be newly enrolled as a result of these outreach and engagement activities, the Mayor’s Office will continue to provide monthly reports with actual data on the number of operations completed and the total number of unhoused Angelenos that moved inside.

### Joint City-County Inside Safe Reimbursements

On June 13, 2023, Inside Safe ran an encampment resolution operation at the Chatsworth Metrolink Station. This joint City-County effort helped City and County residents come inside to receive housing and services through the Inside Safe program. In preparation for this operation, Mayor Bass entered into Funding Agreement AO 23-603 with the County of Los Angeles. Through this contract, the County agreed to reimburse the costs of services, interim housing, and damages incurred by the City in serving County residents who came inside through the Chatsworth Inside Safe operation.

On October 24, 2023, the Mayor signed an amendment to this agreement, expanding the scope of the agreement to apply to County residents who would come inside following all joint City-County Inside Safe operations for a total possible reimbursement of \$1.8 million. Three such operations at Chatsworth Metrolink Station on June 13, 2023, Venice/Globe on October 24, 2023, and 92nd and Vermont on April 17, 2024.

## Attachment 5: Appendix from Mayor's Office of Housing & Homelessness Solutions

As of June 30, 2024, the City has submitted two invoices to the County for reimbursement of services, housing, and damages associated with Inside Safe participants who entered the program as County residents. The first invoice, covering costs incurred from June 13, 2023, to April 1, 2024, amounted to \$926,409.37. The second invoice, covering costs incurred from April 1, 2024, to May 1, 2024, amounted to \$140,010.00. Together, these invoices represent a total of \$1,066,419.37 in pending reimbursements.

### **Interim Housing**

Approximately 1,500 interim housing units have been acquired and maintained for Inside Safe participants. The Mayor's Office continues to explore more cost-effective leasing and housing models and implement the state grant funding to develop up to 500 new interim beds in the City.

The Mayor's Office, in collaboration with motel owners and service providers, continuously monitors vacancies at Inside Safe contracted hotels. Participants from local operations or repopulation response efforts promptly fill these vacancies.

To address the cost of storing participants' personal items for up to 30 days upon exiting interim housing, the Mayor's Office is proposing the placement of storage bins (measuring 10' x 8' x 8' in size) at motel sites. The Mayor's Office team has evaluated the need for these bins, which service providers have widely requested, to facilitate storage for participants who have exited the program but may return for their belongings within the 30-day post-exit window. The Mayor's Office has worked with LAHSA to approve funding for the initial installation and delivery costs of \$175 and the first three months' costs of approximately \$80 per month per site. Storage is an allowable expense in the Inside Safe Scope of Required Services at a monthly per-person rate of up to \$12.90. The Mayor's Office is determining how best to include the implementation plan for these storage pods in FY 2024-25 per the Inside Safe Service Provider Scope of Required Services.

### **Expanding the City's RV Storage Capacity**

In order to resolve more RV encampments, the Mayor's Office has identified a Metro-owned lot that can be leased and converted into storage for RVs relinquished during City encampment resolutions. LAPD will operate the lot and function similarly to an Official Police Garage, but specifically for targeted RV resolution efforts led by City entities. The lease agreement with Metro has now been executed and work can proceed. The lot development will begin in August.

## Attachment 5: Appendix from Mayor's Office of Housing & Homelessness Solutions

### **Enhancements**

As the city continues working on service provider payments and streamlining efforts to reduce costs, we are examining with LAHSA a slot-based payment structure that would allow for more efficient implementation of service contracts. Additionally, the Mayor's Housing team is modeling the renegotiation of select existing nightly booking and long-term occupancy agreements to extend contracts for a period that will count toward the LA Alliance Settlement bed milestones. These extended agreements, while lengthening the amount of time the City will cover the room rates, will also fall under the City/County Alliance Settlement Memorandum of Understanding, which will allow the City to receive reimbursement for service costs at these properties, leading to significant cost savings for the City. The Mayfair is an example of this: approximately \$12 million in annual service costs will be reimbursable by County funding in Fiscal Year 2024-25.

### **Permanent Housing Support**

In Quarter 4 of Fiscal Year 2023-24, the Mayor's Office authorized LAHSA to provide 330 time-limited subsidies (TLS) and 300 housing navigation slots to Inside Safe clients - funding for the first quarter of TLS and the entire year of housing navigation was approved in the previous Homelessness Emergency Account Report, #16. 127 TLS have been earmarked for Inside Safe participants to use in 2 LAHSA master leased properties that are currently leasing up.

TLS is a low-barrier program that aims to assist eligible participants in moving into permanent housing by providing housing identification and attainment services, case management, and rental assistance for up to 24 months. Housing Navigation is a housing-focused supportive service that assists TLS and non-TLS participants in identifying, applying for, securing, and moving into permanent housing.

To support the expeditious utilization of these TLS slots, the Mayor's Office and LAHSA will leverage master leased units through LAHSA's Master Leasing Strategy. All 330 slots will be dedicated to Inside Safe participants through master leased units or other unit acquisition efforts.

### **Interim Housing Acquisition and Operations**

The Mayor's Office has secured \$33 million in state grant dollars to deliver up to 500 additional tiny home beds city-wide. The Mayfair Hotel, acquired in August 2023, opened on schedule on May 1, 2024. Approximately 10 residents transitioned to the

## Attachment 5: Appendix from Mayor's Office of Housing & Homelessness Solutions

Mayfair Hotel from the LA Grand per day, and the property is now fully operational. The final moves from LA Grand to the Mayfair occurred on June 30, 2024. The monthly lease of the LA Grand Hotel will terminate as planned on July 31, 2024.

### **Meeting Alliance Legal Obligations**

In addition to Inside Safe operations voluntarily bringing people off the street, the program will meet the LA Alliance Settlement's encampment milestones of engagement, cleaning, reduction, and expanding interim housing supply through new unit acquisition. The Mayor's Office will continue to work with City Council to resolve priority encampments and identify new opportunities to bring interim and permanent housing online that meet needs and satisfy the Alliance bed milestones.
