QUARTER 1:

QUARTER 2:

QUARTER 3:

According to the Q3 City LAHD Roadmap Report, there are a handful of sites across various Interim Housing programs. None of which have meet their KPI of 20% exits to Permanent Housing. Furthermore, there are several sites that has recorded exits to Unknown Destinations: A Bridge Home (21%), Tiny Home Village (15%), Safe Parking (9%), Project Home-key (26%) and Other Interim Housing sites(39.7%). Interim Housing staff continues to work diligently with providers on improving data quality and gaining a better understanding of issues related to exits to outside destinations.
